## WHAT'S BEEN HAPPENING

Dear families,

We've had a fantastic week at Team Kids exploring science experiments! The children were so engaged as they learned fun science facts, tested simple chemical reactions, and discovered cause and effect through hands-on activities.

Next week, we're diving into technology! The kids will build basic circuits, crack codes, and solve puzzles as we explore how information is decoded and transmitted. We'll also keep observing weather patterns and talk about what we notice each day. 🌞 ☁️ 🌧️

Our Term Clubs have started! 🎨 Art Club – full of creativity and colorful fun 🏀 Super Sports Club – energy, teamwork, and games!

And don't forget – Lunchtime Legends is on next Friday during school recess! A fun way for the children to enjoy OSHC during their school day.

Have a wonderful weekend,

Warm regards,

Eric

Director of Team Kids Before and After School Care
