This year the school is marking 120 years of education in the Valley! And on **Saturday 13th November 2021**, we will be hosting a fete/reunion event to celebrate this achievement.

On this day the whole community will come together for a wonderful day of activities to be enjoyed by our current students and families, past students and our Valley friends and neighbours. Our alumni will enjoy a range of reunion activities while the oval will be abuzz with music, games, inflatables, stalls, food stalls, a bar and lots more.

The P&C is organising the fete and in order to make this day a fabulous, fun, fundraising event, we are asking for your help! Each year group has been allocated an area and at the start of next term you will be contacted by the wonderful volunteer in your year group who has put their hand up to coordinate. PLEASE offer your help and find out what role you can take on.

### **In term 3 we'll be in full organising mode - how can you help?**

- Join our organising team. We need ideas, energy and enthusiasm!
- Are you, or do you know, a local business that would like to donate to or sponsor our event? We are looking for sponsorship for games/activities, prize/voucher donations, etc.
- Can you bake or make? Are you the queen of jam or the king of chutney? We want your homemade goodies to sell. And our cake stall will need filling (remember at our Election day event, we made over \$2k just in cakes!!)
- Can you garden? Dig out your gardening gloves because our plant stall would love cuttings and we'll be needing your weeding skills at our busy bees later in the year to get the grounds looking smart.
- Do you have good quality used books to donate? Send them our way (but only the good ones, mind!)

You may have heard talk of a new adventure playground at the school. To make this happen we need to raise a heap of money, and the fete is our perfect opportunity to do this!

120 years of White Gum Valley Primary School! Let's make this a day to remember!
