

Apprenticeship Opportunity - Engineering Fabrication

We are an established Family Owned and Operated Business with over 16 years' experience manufacturing Commercial Furniture, Lighting and Componentry specialising in custom made pieces. We have a broad range of Trades working in our Company to include Metal Spinning, Metal Fabrication, Timber Machining, Furniture Finishing and Joinery.

We are currently looking for a Year 10, 11 or 12 School Leaver who is currently studying subjects to include Metals & Engineering and has a keen interest to pursue a career in this area.

This position will involve a wide range of tasks including metal fabrication, metal polishing and welding.

The successful applicant would receive on the job training in addition to completing the Trade Certificate III – Engineering Fabrication (Light) at TAFE.

We are looking for someone with strong communication skills, who is self- motivated, reliable and have a positive attitude with the ability to work in a fast-paced environment.

Our Factory is located at Minto, located within close proximity to Minto Railway Station.
