

Permanent Care Information Session

Permanent Care provides a stable, loving and permanent family for vulnerable children who cannot live with their birth families. Permanent Care families can be couples or single and with or without children.

We are currently seeking Permanent Care families who are open to accepting siblings and older children who may have experienced trauma.

If you are interested in becoming a forever family for a child/children, we invite you to come along to an information session in:

Warrnambool
Tuesday 3rd July 3pm – 5pm
