

Shepparton Saints Netball Club Information Booklet 2023

Information Night and AGM
Monday, February 6 @ 7pm
Terminus Hotel Shepparton

SSNC FORMATION

Welcome to the new Shepparton Saints Netball Club (SSNC)

City Notre Dame Netball Club (CND) has been rebranded as the Shepparton Saints Netball Club (SSNC), formed with the aim to provide more opportunity to netballers in the Shepparton community.

Our club hopes to keep players playing the sport through all age groups and divisions for longer, and provide a quality option, for those that playing in the same location each week appeals to.

There is no denying that the netball landscape (and sport in general) has been changing for a number of years, which is evident in the decline in player registrations, and volunteers are harder to come by.

Especially concerning is the drop in player numbers once they have completed playing in the 13&U division.

By creating a club which is open to all players throughout our region who want to play netball, regardless of the school they attend, we can ensure we have players playing in the correct divisions and enjoying their netball more. It also means there aren't multiple volunteers doing the same roles across multiple clubs, allowing more focus to be put into the development of the players.

A working group committee was formed in 2022 to bring the vision of the new club to life. The group consists of representatives from CND; Sharlene Putman, Bill Daunt, Ronnyne Magill, Nerida Oberin, Millie Campbell and Sue Simpson, and the St Anne's Sports Association; Claire Walsh, Jo Zampaglione and Mel Shiels.

SSNC will open registrations for teams to enter the 2023 Shepparton Netball Association (SNA) winter competition in 13&U (Primary), 13&U (Secondary), 15&U, 17&U & Open divisions.

FAQ's

How do I register?

Follow the links below, find them on Facebook, or email the club and the link can be sent to you.

[Pre-season Training](#)

[Registration Form - 13/U, 15/U & 17/U](#)

[Registration Form - Open](#)

What time are the games on Saturdays?

Until the SNA receives the team registrations, late in March, they will not be able to release the time slots for games.

Working on the 2022 afternoon competition, the game times were 12:30pm and 2:00pm.

The morning competition historically had 13&U Primary play at 9:00am.

What can I wear under my uniform?

Players can purchase their own undergarments in **solid black only**. These must not present a genuine safety risk to the wearer or other player (i.e., open pockets, buttons, or zippers).

Can I come to the committee meetings but not have to fill a role?

Absolutely, we welcome any members to join us at our meetings.

Many hands make light work, but also they bring new ideas to the table.

I would like to umpire as well, can I do this?

Yes! The SNA are always looking for umpires. They will be running specialist training courses in the coming months so we can share that information when it becomes available.

Do you offer support to new coaches?

We understand that asking families to assist with volunteer roles is a big request. Our club sees training and support as extremely important and plan to assist our coaches with sessions throughout the season.

Will the SSNC be entering teams in the SNA's twilight competition?

As a committee is still yet to formed, this will be tabled for a future discussion. Any volunteers interested in forming a subcommittee for this, please make contact with the club via email.

SSNC would like to thank

Alistair Hand, NEOCLO, for the design of our logo

Tony McHugh, RedBack Promo & Uniforms, for our custom uniforms

Gary Harvey, Intersport Shepparton, for the supply of our equipment
and John Simpson Builders Pty Ltd for printing expenses

NEOCLO.
