

WHAT'S BEEN HAPPENING

Hello Families ☺

We have had a busy start to the term after the short week last week. Children have been making the most out of the decent weather before it gets freezing and getting outside as much as possible, footy and skipping definitely the most popular activities.

Inside, building and crafts have been getting the most attraction, especially the Minecraft blocks and anything they can make with paper.

With lots of exciting events coming up, we are looking forward to a great term!

If you have any questions or just want to have a chat, please either contact us during service hours or come in and have a chat!
