

The LGBTIQ+ LoungeZoom

A web hangout for queer or questioning young people (and their allies!) aged 12 - 18 across the East Gippsland area.

Facilitated by an LGBTIQ+ headspace worker and an ally, we'll meet every week to share our best queer Netflix recommendations, get to know LGBTIQ+ music and artists, share self-care tips or just get to know other members of our East Gippsland community!

Our goal is for young LGBTIQ+ people to feel connected to their queer peers and broader queer culture, so even when you're alone, you can carry a sense of community around with you.

We'll also have a chat about how to make the jump to a face-to-face group post-lockdown, and you can have your say about what this group might look like!

We'd love to see you there! To sign up and get all the details, email info@headspacebairnsdale.org.au or call us on ph. (03) 5141 6200.

We'll meet every Thursday at 4.30pm starting September 10th.

This group is proudly supported by the GLCH East Gippsland H.E.Y Project Working Group.
