

School is back at Yarrabah.

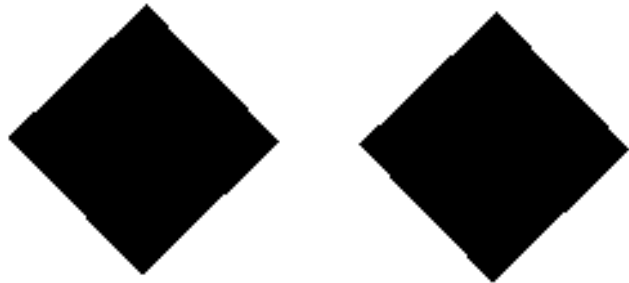

I am going back to Yarrabah School.

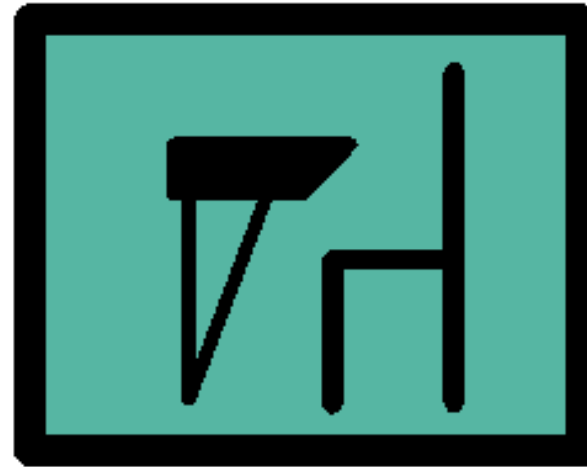

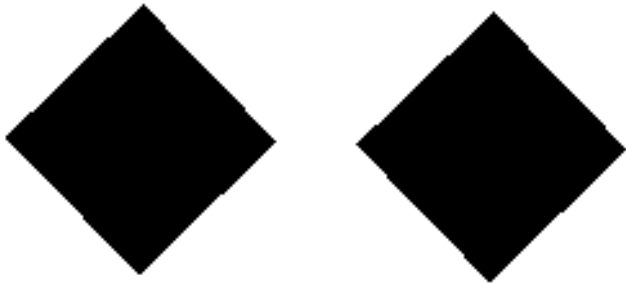

It is going to be ok!

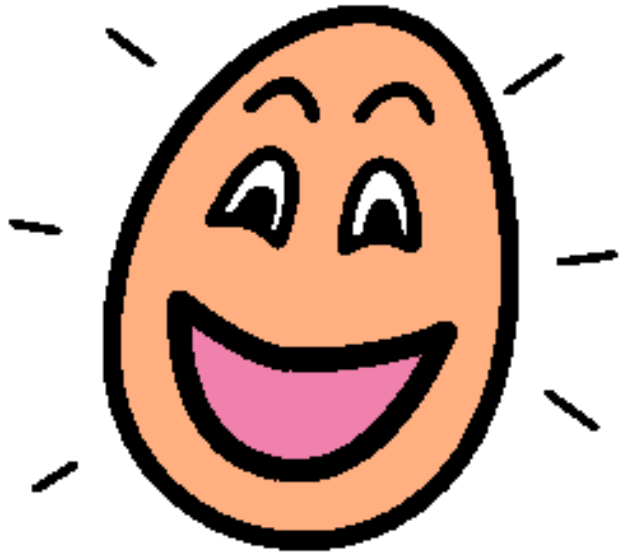

Some things will be the same when I go back to Yarrabah.

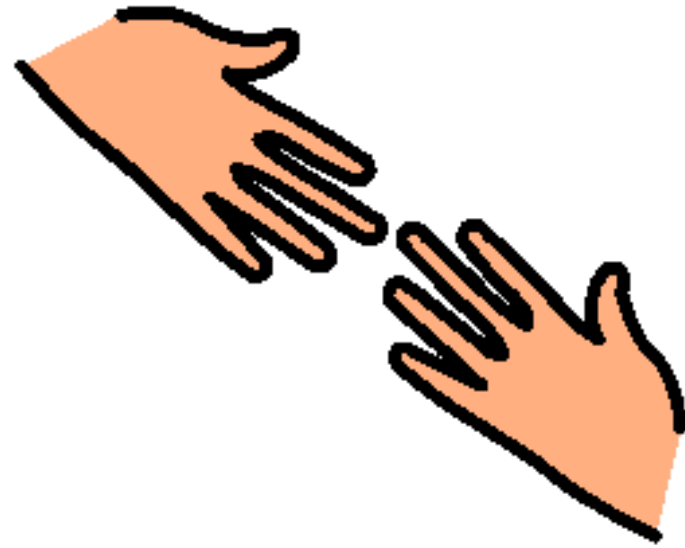

I will be in my classroom.

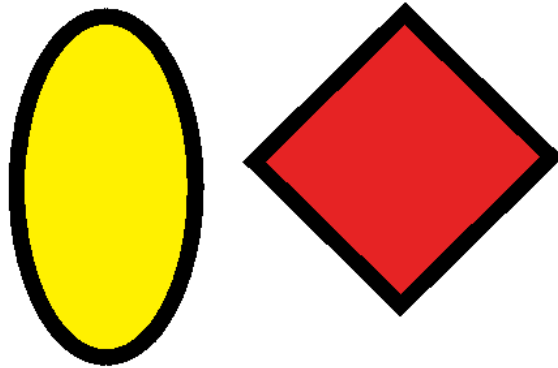

I might feel excited and happy. I will see my friends and teachers again.

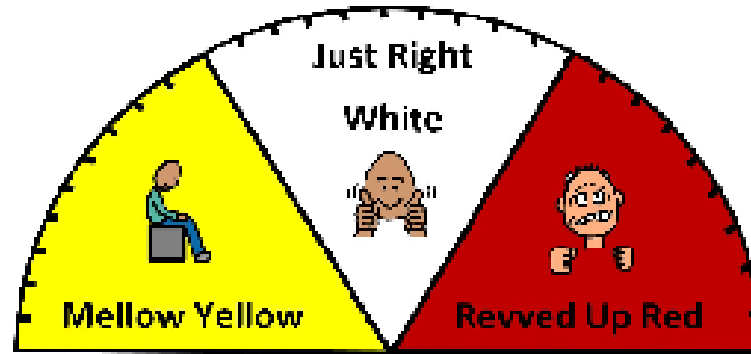

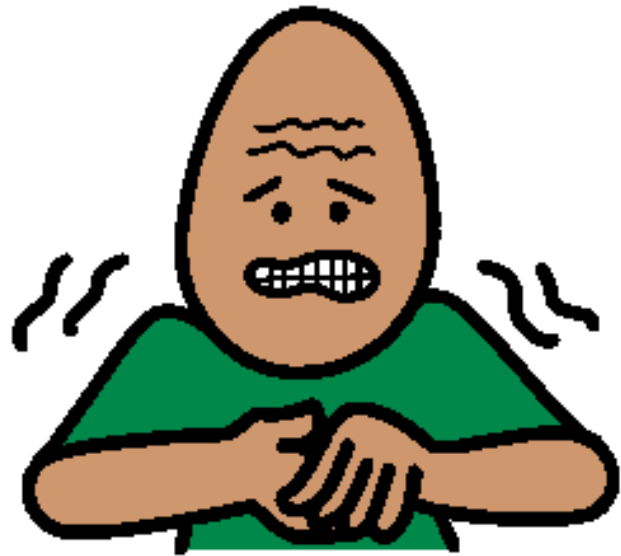

My teachers are there to help me.

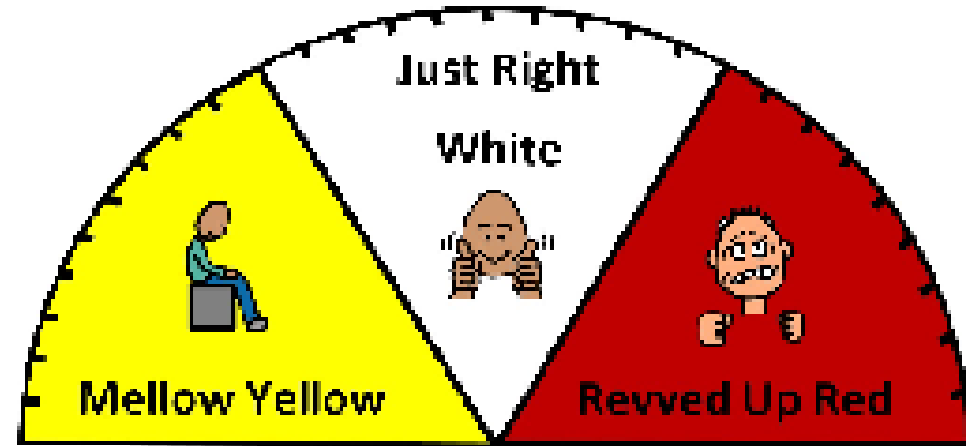

Somethings will be different .

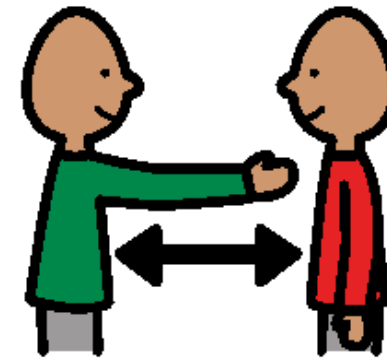

I might feel scared about going back to school. That is ok!

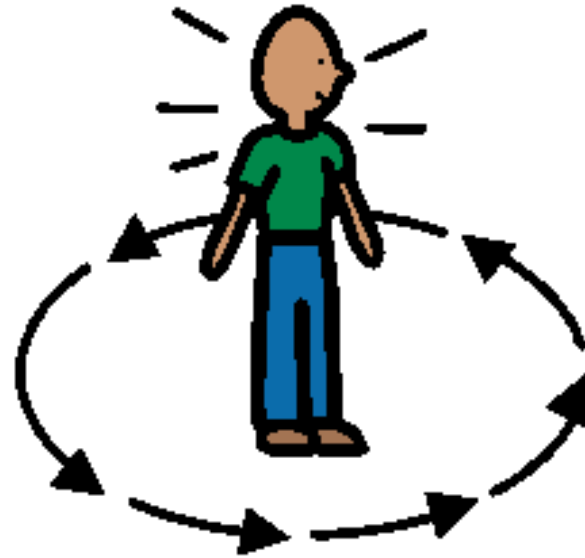

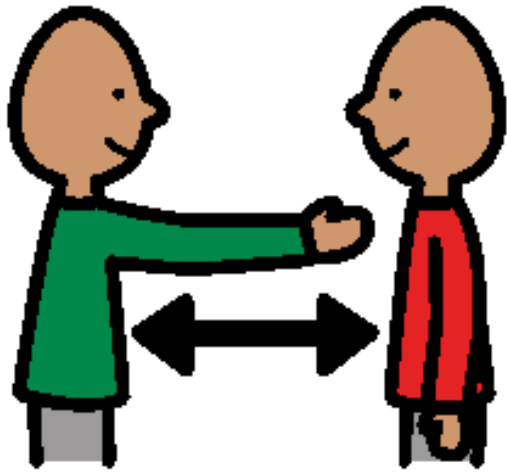

If I need help, I can ask my teachers.

Saying hello will be different. I can wave and say hello.

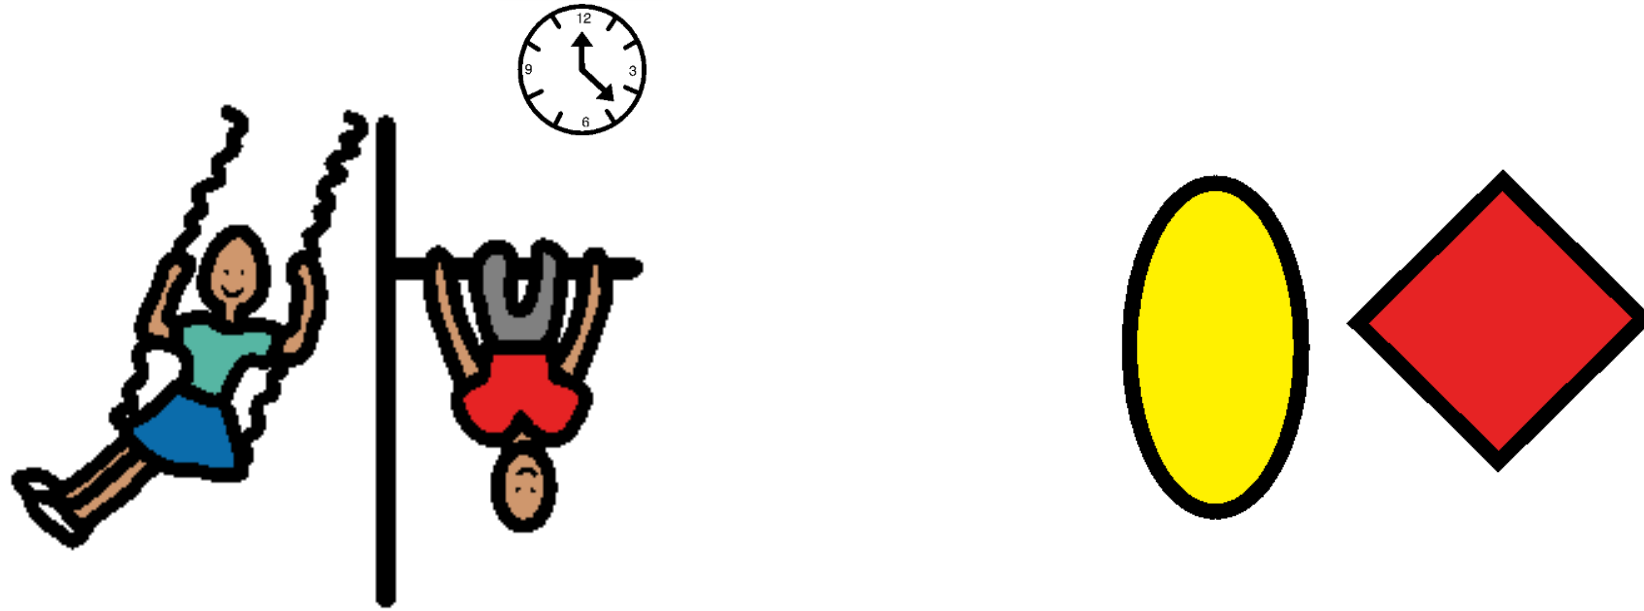

In the classroom, I need to have space around me.

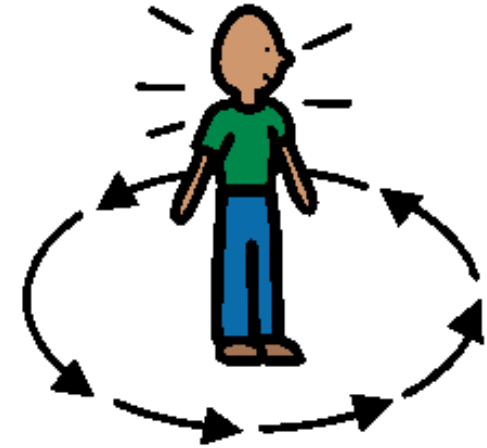

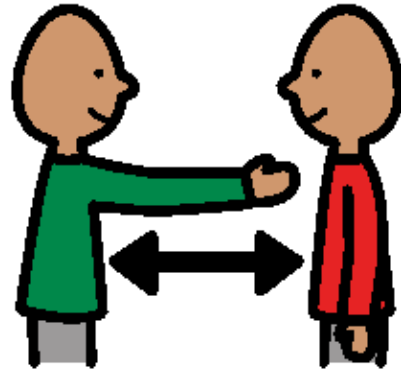

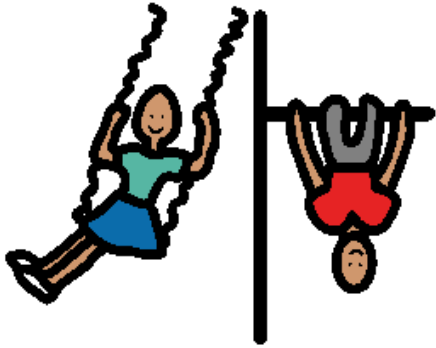

I need to wash my hands to stay safe.

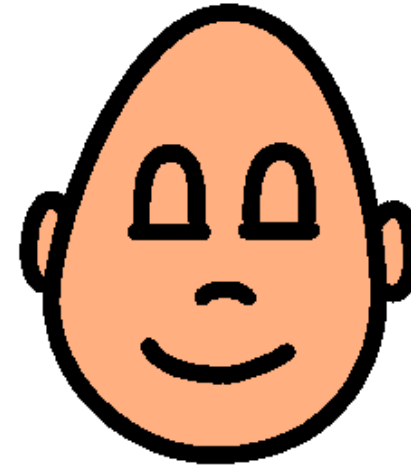

My playtime will be different.

On the playground, I need to have space around me.

I will try to help to keep myself safe.
I will listen to my teachers.

It is going to be ok!
