Acceptable Use Agreement for Internet and Digital Technologies

When I use the internet and digital technologies, I agree to:
 - Use ICT responsibly, ethically and legally when working and submitting work.
 - Support others by being respectful in how I interact with others and never write or participate in anything which includes harassing, insulting, threatening, abusing or bullying, inappropriate or harmful online behaviour.
 - Take a reasonable level of responsibility for online content and activities participating in online, appropriate efforts to protect my data and privacy.
 - Read and understand the terms of conditions of use, fees and service conditions and be aware that content I upload or post on the digital technologies is permanent, accessible, transferable, and may be used for educational purposes and use the equipment responsibly and lawfully.
 - Protect my personal rights and those of others by using my personal details including full name, age, gender, residential address and images.
 - Acknowledge copyright procedures when using content from websites and permission to use images, text, audio and video and use references where necessary.
 - Avoid viruses and other cyber-attacks and protect my data and content posted on the internet.
 - Not interfere with network security, the data of another student or attempt to log into the network with a username or password of another student.
 - Not reveal my password to anyone except the system administrator or teacher or parent.
 - Not use or download unauthorised programs, websites including games or websites such as social sites and not download or upload content or use them on the school's network.
 - Not use or download the Department of Education and Training's content files.
