AGAIN NOT SO NORMAL!!

We have really enjoyed caring for children during the holiday break. With a different theme every day there have been a lot of preparations by all OSHC staff members. I was super impressed by the activities organised. And it has been a joy to be a part of each day as they have been met with children enthusiastically doing the activities.

NewsFlash: Thursday 6th August Parent/Teacher interviews, there will be a limited hours OSHC care available. 8.30am-4pm. Please email to book your child/ren for day.

HAPPY BIRTHDAY For the children who have had birthdays, we have added a bird to our tree:

Past Staff news: Jess was able to come into OSHC on Wednesday 15th July to say her good byes. There were farewell cards presented to her, a speech from Gabriel before a PowerPoint show of photos of past 7 years. Then four girls surprised her with her favourite food of donuts & asked to eat with them all for last time.

For the month of June

Nikisha G, 16th,
Chiara G, 20th
Joel R 23rd,
Gabriel A 27th

I praise You because I am fearfully and wonderfully made; Your works are wonderful, I know that full well. Psalm 139:14

Staff news:

Ingrid says...

Hi, my name is Ingrid and I have been working at OSHC since 2017! I am currently studying a Bachelor of Arts and Education with the hope of one day being an English teacher. Before then, I'm planning on doing an Honours year next year where I will study and write about contemporary children's fiction and I can't wait to begin!

I am really sad about the reinstated restrictions because of how it will affect OSHC. I love working at OSHC and it really feels like one big family, which I will miss! My favourite thing to do is to spend time with all the lovely children and play games, run around or just laugh together. Though I've only worked here for a short time, it's been really wonderful to see how the kids have grown up and come into themselves. I love learning new things about all the kids who come and I'm always excited about the future that God has in store for them.

I hope everyone is keeping safe and trying to stay positive. One thing that this time has really taught me is that God really is Sovereign and totally in control-- He knows what He's doing even though we may not!
