# Explore the future world of work

It's difficult to advise young people about careers these days. As a parent you want to help them find their feet – but things have changed since you were at High School.

It's estimated that 40% of Australian jobs will be replaced by technology within 10 years and 65% of preschool children will work in new jobs that don't exist yet.

Find Their Feet is an immersive careers event for Year 7–12 students and their parents designed to help you navigate this uncertain future.

After reflecting on their own unique interests, skills and strengths, students will get to place an avatar of themselves in the future world of work – a vast landscape representing the future North made up of six distinct zones:

- **Health & Social Services** • **Food**
- **Construction** • **Education & Training**
- **Tech / Bio Tech** • **The New Manufacturing**

Future-focused industry experts and employers from the North will be on hand to guide students on their journey and help with practical advice, support and next steps.

**Be surprised by the skills students already have, and how useful they will be in the future**

**Transform anxiety into excitement as students see a place for themselves in the future world of work**

**Be ready and able to support students take the all-important next steps.**

These are **free** events but places are limited. Don't miss out.

**Register now on Eventbrite ([bit.ly/FindTheirFeet](https://bit.ly/FindTheirFeet)) or [facebook.com/findtheirfeet](https://facebook.com/findtheirfeet)**

**Wednesday 14th of August 6pm–9pm**  
at Northcote High School,  
19-25 St Georges Rd, Northcote 3070

**Session 1: 6pm–6:45pm**

**Session 2: 7pm–7:45pm**

**Session 3: 8pm–8:45pm**
