

ANXIETY AND AUTISM SPECTRUM DISORDER

**TUESDAY 2ND APRIL 6.30 - 8.30PM
BAYSWATER**

Anxiety is common in children with Autism Spectrum Disorder.

This workshop will cover what anxiety is, some of our understanding of why it is common in children with ASD and how we can help children with ASD to manage their anxiety effectively.

This workshop is suitable for parents, carers and professionals.

To indicate your expression of interest or if you have any questions please call (03) 9720 1118.
