

ACADEMY PARENT NOTICE

OF MARY IMMACULATE

88 Nicholson St Fitzroy 3065 | Tel: 9412 7100 | academy.vic.edu.au

19 May 2022

Dear Parents and Guardians

I am writing to inform you of changes to the provision of rapid antigen tests (RATs) in our school for the remainder of Term 2.

RATs will continue to be distributed to you as they have been throughout this school year for the remainder of this term. Students will receive another pack of 5 tomorrow morning (Friday 20 May).

However, from Monday 23 May 2022, we do not recommend that your child complete a RAT twice a week as previously advised.

RATs will continue to be required by students who are household contacts to attend school (five negative tests over a seven-day period) or who have symptoms.

The ongoing supply of RATs to families in our school will ensure that parents and guardians have tests should they need them if their child is a household contact or has symptoms.

Families must continue to notify the Department of Health and the school if their child returns a positive RAT result. Additionally, you should inform us if any of your children are household contacts.

Thank you to all families who have had their child vaccinated. Vaccination continues to remain the best way to protect students and staff in our school.

Getting vaccinated is easy and bookings can be done via the Department of Health's website <https://portal.cvms.vic.gov.au>. If you have any questions about the vaccines, I encourage you to speak to your GP or a health practitioner.

Thank you again for your ongoing cooperation and support during this time.

Yours sincerely

Sr Mary Moloney rsm
Principal
