

FINESSING YOUR FOLIO

Our interactive sessions help you to finesse your folio for entry into Art and Design programs.

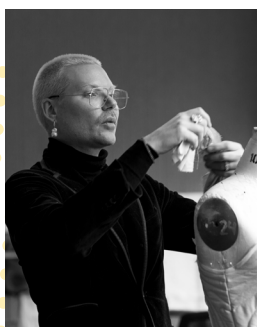

These 2 hour workshop are not about the magic template but will give you the approach that will work best in the development of your folio, including how to take images of your creative work for presentation. Delivered by LCI design professionals, who have taught extensively, you will learn the principles on how to present your work in a way that best reflects you, and gives you the best chance of success.

Dates & Times: Friday 23 September, 2022 – 10:30 or 2:30 or Monday 26 September, 2022 – 2:30

Please register your attendance for one of these times.

All sessions include curation and capture sessions, where you will start with a practical exercise to explore your creative identity and then learn how to reflect this in your portfolio. Following this, you will develop your technical skills in photographing different types of 3D work for presentation.

Please note: it is essential to register as numbers are limited. This is a free event.
