

MY CAREER INSIGHTS PROGRAM - 2021

My Career Insights is a program for all Year 9 students in government secondary schools. This program will help your Year 9 child to:

- learn about what skills and abilities they could bring to a job
- find out about what jobs match their abilities, interests and personality, and the subjects they need for those jobs.

As part of the program, your child will:

- complete a series of online questions and quizzes (on the Morrisby Profile website) at school. **This will take place during your child's Inquiry Class on Thursday 11th March.**
- receive a Morrisby Profile Report showing the results from the questions and quizzes, and possible jobs that match their abilities, interests and personality.
- have a 30 minute meeting with an accredited career advisor, who will explain the report to your child. **This will take place during Term 2.** Parents and guardians are invited to attend this meeting. Please tell the school if you need a telephone interpreting service.

If your child does not participate in the program, or does not complete the questions and quizzes, a Morrisby Profile Report will not be created for them.

The My Career Insights Program has been set up as an event on Compass. Parents and guardians are asked to provide consent for their child to participate in this event through their Compass account.
