

Hello! I'm Melissa, from Adeline & Myrtle Psychology

## Who we are -

I am a Clinical Psychologist and the founder of Adeline & Myrtle Psychology, a Child and Adolescent Psychology service based in Geelong, providing **neuro-affirming psychological services** (such as assessment, therapy and support) to children, adolescents, young people, and their families. As a Geelong resident with over 13 years' experience working in a variety of settings, including public, not-for-profit and private organisations, I have a deep empathy and passion for **working with children, adolescents and their families in our local community**. I am committed to providing effective, evidenced-based and respectful services to young people and their families, including working from a neuro-affirming perspective.

## How we can help -

**Adeline & Myrtle Psychology** offers a wide range of services, including:

- **psychological assessments** (Cognitive and Psychoeducational Assessments [e.g. dyslexia and other specific learning disorders], ADHD Assessments, ASD Assessments, as well as 'once-off' consults and screening when you are concerned about your loved one and require some information and support about what to do next.
- **individual therapy** (NDIS, Medicare and Private-Paying).
- **group-therapy and workshops** (for parents and children).
- **psychoeducational workshops** (online or in-person).
- **consultation services** to schools, businesses and other professionals.
- Melissa is also a Board-Approved Supervisor and offers **professional supervision** to other psychologists and allied health therapists.

*We have immediate availability for assessments  
and limited spots opened for therapy!*
