MELLOR HOMEWORK GRID

Term 1

- LI: To be able to demonstrate independence and responsibility for your learning.
- LI: To be able to explain how you completed your at home activities.
- LI: To be able to share your learning with your family.

We are Decoders:

Read every night and record it in your reading diary.
Practise reading and writing tricky words.

We are Persistent:

Practise counting up to and down from 100 and 1000. Split numbers into hundreds, tens and ones, e.g. 13 = 1 ten and 3 ones.

We are Organised:

Pack your reader folder, healthy eating, lunch box and hat in your bag everyday.

We Get Along:

Help your family around the house. Ask what jobs you could do. You could fold washing, clean the sink, tidy your room, sweep the floor, water plants, etc.,

We are Confident:

Use 2 strategies to solve **small** problems: ignore it, walk away, tell them to stop, apologise, make a deal, wait and cool off or go to another game. If you have a big problem, tell an adult you trust.

We are Resilient:

Choose a way of being active and keep practising it. It could be running, bike riding, roller skating, etc.
