

## What's been happening...

### New Adventures ahead...

Hello to our families and children!

These past 2 weeks we have had some great fun! We have selected our prep buddies Mercedes and Maria. They have been amazing at initiating our new Preps to the program, they have guided them and made sure they are creating friendships while at OSHClub.

On Monday the 20th we launched our new programs, "Rise then Shine" previously known as Before School Care & "Stay and Play" known as After School Care. These programs were created with your voices and children's voices and are running exclusively to OSHClub, and so far we had really positive feedback!

We have started all the Kids Clubs we will be running.

In 'Bed, Bath & Beyond' which runs every Monday, we made DIY child safe peelable nail polish and opened an OSHClub nail salon.

'Fiddly Kids' runs every Tuesday, we started knitting some scarves and practiced holding the knitting needles.

In the 'Auslan Club' that runs every Thursday, we learned some of the alphabet letters and we are learning a song to show to our families.

That's all from us, have a great day :)

## Coming Up

Feb  
24

### Friday Funday!

Alice In Wonderland - Scavenger Hunt

Mar  
2

### School Early Finish

School Pick Up - 1pm

Mar  
3
