

SPRING CLEANING WORKING BEE

This Saturday 10th September

8am- 1pm

Longer days, warmer weather and SPRING
CLEANING!

This Saturday the 10th September we will be holding a Spring Cleaning Working Bee. We need as many volunteers as possible to come down, even for an hour to help us clear out the garage and sort through the rubbish and give the school a good ol' spruce up in readiness for our Kilsyth Primary Community Fair next term.

The Working Bee will start at 8am and we will have a BBQ lunch. At morning tea time we will also be running a Parents vs Kids basketball game. It is going to be a great day.

See you there!
