

There is a buzz in the air as our major fundraising event of the year **"The Rosanna Primary Old School Fair"** is only weeks away.

Held on the school grounds and concluding on the Green Oval with the much loved Colour Run, this event is promising to be a memorable day for RPS families and friends and the local community.

### **Stalls**

Each Rosanna Primary School class has been allocated their own stall to run on the day.

Students were given the role of planning, coordinating and organising the stall, with many grades including this as part of their inquiry learning – and they have loved it!!

Be sure to volunteer some time on your child's stall – they love seeing us getting involved. We will be using a website called 'Signup.Zone' which allows volunteers to view and select a time and stall that they wish to volunteer for. Keep an eye out for the Signup.Zone link on Compass and the Newsletter.

Below is a list of what stalls each class will be running:

### **Silent Auction/Lucky Envelopes**

Thank you to those families and businesses who have donated a variety of goods and services towards our Silent Auction and Lucky Envelopes it is fantastic. It is not too late if you have a business or know someone locally that you think would be happy to donate a prize or service.

**\*\*NB** - auction items don't need to be tangible goods you may wish to donate some time gardening, babysitting, ironing, a dinner party- put your skills to good use & get creative!

Silent Auction will be posted online a couple of weeks before the fair in order to give the community an opportunity to bid on that much sought-after item, even if they are unable to make it on Fair Day.

The bidding will move to paper format on the day of the fair.

Please keep an eye out for the 32auction link and list of items up for auction, on Compass and in the newsletter later in the month.

### **Rides & Food Fun Passports**

Check out the cool rides and passport information sent out with this notice – don't miss out on purchasing your early bird tickets.

### **Walkers**

Do you like to walk? Can you help us deliver fair information to letterboxes in October?

We have marketing collateral promoting the fair and would love to hear from volunteers from all suburbs that can assist us with this task through our local streets.

Please email [\*\*forps3084@gmail.com\*\*](mailto:forps3084@gmail.com) with your name and contact number and streets that you can do and we will arrange to get collateral to you.

### **Thank you**

We would like to thank everyone who has helped with the planning and organising of the fair with too many people to list individually. The financial success of the Fair is largely dependent on the generosity of the school and business community through volunteers and donations that add value and offset expenditure.

We would like to give a special mention to the following:

- **Sonia Daru**

Sonia has produced the most amazing artwork for our promotional material - flyers, posters, advertising boards, Facebook etc. She has done a fabulous job and we are **SO** grateful for the time and effort she has given

- **Cable and Connect**

Daniel and Phil came to our rescue when we put a callout on social media for electricians in the local area who would be able to assist us with our electrical and AV requirements for the fair. With no direct connection with RPS they are donating their expertise and time at no cost to ensure our fair runs smoothly on the day.

This type of generosity rarely exists today so be sure to contact them if you need any electrical work done for home or work ; [\*\*info@cableandconnect.com.au\*\*](mailto:info@cableandconnect.com.au).
