02
Empowers you in your role as your child's first teacher

03
Supports your child's transition to school

04
Supports child development, community connection & confidence

HIPPY is structured and play-based, delivered through fun interactive activities.

Starting around the time your child turns three, HIPPY provides free support across two years.

Your HIPPY Mentor will practice the activities with you during home visits and then you and your child can play them during the week.

You will receive resource packs with activities and ideas to enjoy with your child, so that learning can happen anywhere at any time.

HIPPY supports children's natural curiosity, to build their confidence and to achieve important developmental milestones.
