If you wish to pick up your child from inside the school, please enter and leave through the same gate – do not cross the playground

All parents, including Kindergarten, should not wait for their child outside their classroom.

Morning organisation

Between 8.30 – 9.00am parents can walk students to the classroom to drop off their bags.

Parents must then leave the school grounds. No gathering of adults on the school grounds.

Late arrival after 9.10am – Parents take students to the school office. The office will note student's arrival and send them to class. Parents leave the school grounds. The student's arrival time will be recorded on the attendance register.

Picking up students before 3.00pm

Parents should inform the class teacher if they intend to pick up students prior to the end of the school day.

Please note: **No pick-up of students between 11.00 - 11.20am and 1.00 - 2.00pm.** Students are in the playground and cannot be individually contacted.

ANZAC Commemoration Assembly

Students will attend an ANZAC Day commemoration assembly on Friday 23 April 2021. Students are encouraged to bring flowers to school to place at the flagpole during the assembly.

School Office – Student’s personal items

Please ensure that your child brings everything they need for the school day in their bag in the morning. We have had an increasing number of parents dropping off water bottles, lunches, homework, etc, for students at the office. This causes disruption to the student’s learning and their class.

We will continue to provide parent updates as school activities are confirmed. Please message your child’s class teacher if you have any questions or you may contact the school office.

Yours sincerely

Mr Glenn Walker
Principal
