Any assessment results provided below are raw scores and may change during school or state based statistical assessment moderation. The statistical, state based, moderation process is used to ensure that schools' assessments are comparable throughout the state. It involves adjusting each schools' coursework scores for that study to match the level and spread of the combined examination and GAT scores for the students in that school doing that study. For more information on assessment moderation, please contact the school.

Comment (Open): [Redacted] demonstrated adequate comprehension, recalling some details and making basic inferences. His responses showed a general understanding of 'Wonder.' His sentence structure was simple, and spelling had some errors. With more focused practice, his reading comprehension and writing will improve. Well done, [Redacted]

Performance: Good

Please note: Some feedback is in the form of a rubric or attached test, click 'View Rubric' or download the file to see the feedback

Feedback on assessments should be on compass within 2 weeks of task completion. If you have any questions or concerns please contact the relevant classroom teacher or alternatively the Leading Teacher of Curriculum, Assessment and Reporting: janita.trickey@education.vic.gov.au
