Mount Carmel College is a school for today's girls with a rich heritage and a warm welcoming community.

Our school values kindness, courage and creativity. Students from Kindergarten to Year 10 are nurtured, challenged and encouraged to thrive in ways they did not think possible and to be the best that they can be. Our girl's only environment supports girls to take intellectual risks and to focus on excellence in achievement.

Our future is exciting as we enter a new chapter planning, renovating and building new learning areas. A new Kindergarten development is coming this year, designed with our youngest students' experiences in mind.

Come and explore Mount Carmel for yourself at our Open Day on Sunday 5 March from 1.00pm to 3.00pm.

Our students conduct campus tours, giving families the opportunity to meet our Principal and teaching staff, view our facilities and hear about the wide range of curriculum and co-curricular choices and our pastoral care and wellbeing programs.

Register now online or by calling the College.

Bookings are essential. Entrance to the College is available via both Sandy Bay Road and Quorn Street. There is plenty of parking within the neighbouring streets with no parking restrictions on Sundays. Alternatively, you can park at Wrest Point and walk to the College.
