

8 September 2025

**To the Resident**

Burrell Street / Gregory Street  
CLAYFIELD QLD 4011

Dear Resident(s),

**Installation of Narrow Street Parking Signs in Burrell Street and Gregory Street, Clayfield**

Council has recently become aware that parked vehicles (on road) within your street has caused access issues for through traffic, particularly waste refuse trucks, when vehicles have parked directly opposite one another, and as a consequence leaving less than three (3) metres of clear through access.

Under the ***Queensland Road Rules*** motorists must leave a minimum of three (3) metres of clear roadway between their vehicle and another parked vehicle(s); the kerbside opposite; dividing strip(s); traffic island(s) or unbroken dividing line(s). Particularly for access purposes for emergency service vehicles and waste refuse trucks.

Therefore, Council will be installing 'Narrow Street' parking signs within your street to encourage drivers to park in a staggered arrangement, in order to leave the required legal space for through traffic when parking. It is anticipated that these signs will be installed by the end of September 2025.

An example of the 'Narrow Street' parking sign is shown overleaf:

Should you have any queries regarding this letter, please e-mail the Ward Office at [hamilton.ward@bcc.qld.gov.au](mailto:hamilton.ward@bcc.qld.gov.au) or via phone 3403 1095.

Should you witness vehicles parking (on road) and not leaving the required minimum space of three (3) metres for through access, then Council strongly encourages you to report such parking by contacting Council Contact Centre on 3403 8888.

Yours sincerely

**Julia Dixon**  
**Councillor for Hamilton Ward**  
**Brisbane City Council**
