Urban Camp Update

Dear Parents/Guardians,

Urban Camp is happening next Term - Tuesday 6th October and this note is a friendly reminder of some final details. If you have any other questions then please feel free to contact your child's teacher, who will be more than happy to answer any of your questions.

Departure Times

- **Echuca Train Station: Depart 7:23 am**
 - Meet Lisa Duffy at Echuca Train Station.
- **Rochester Train Station: Depart 7:43 am**
 - Meet Trish McVeigh at Rochester Train Station.

Important: The train will depart **promptly** at the scheduled time from the front of the station. Please arrive **no later than 20 minutes prior to the train leaving** to allow sufficient time to organise medications and complete any final preparations before departure.

Medication: If your child requires any medication while on camp, can you please put enough medication for 4 days and 3 nights in a zip-lock bag. Please ensure this bag is clearly labeled with their name and instructions on how/ when to administer it. The medication also needs to be in its original packaging. If you would like us to take any of your child's medication from school, can you please notify the school so we can organise this prior. Trish will keep a log of these students to ensure that medication is taken when necessary.

Packing Advice: Can you please ensure that your child brings only:

Please pack lightly and choose smaller bags where possible. Do not overpack — your child should be able to carry their own bag without wheels. If they cannot, please rethink the amount packed or the type of bag chosen.

Please bring only:

- **1 x large bag** – For clothes and all items from the “What to Bring” list. If the sleeping bag does not fit inside, securely attach it to the outside so it does not get separated during travel.
- **1 x Small backpack** – For the train journey with lunch and snacks on Day 1. This will also be carried to activities for items such as hats, drink bottles, jumpers, and cameras.
