*Welcome*

Welcome back to Term 3, we hope everyone enjoyed the mid-year break. We are planning another exciting term with lots of activities and learning experiences to share. This week we will be involved in activities, sports and crafts that focus' on team work, co-operation and friendship.

## Holiday Program

The children were involved in many activities including cooking, music/dance, gardening, sport and art. The incursion programs included becoming a Detective, healthy eating activities, video gaming, soccer and construction. It was exciting exploring our natural environment with our bug catchers. We found many Butchy boys, worms, snails and centipedes. We observed them for the day and then released them back into their natural habitat.

## Important Information On The New Child Care Package

Families who are yet to complete their Child Care Subsidy online assessment should do so as soon as possible. If you complete it by 23 September 2018, subject to eligibility, your subsidy will be paid in arrears back to 2 July 2018. Please go to [humanservices.gov.au/childcaresubsidy](https://humanservices.gov.au/childcaresubsidy) and follow the links to [myGov](#) to complete your assessment.
