School holidays pizza making event

Join us at the Miele Experience Centre Knoxfield this school holidays for a mouth-watering hands-on pizza making demonstration. Adults and kids alike (11 years and up) can take part in this fun and deliciously rewarding session, courtesy of our Miele Culinary Experts. You'll learn just how easy it is to make a pizza base, while kids get busy creating their favourite (and controversial) topping combinations. So before you can say *"10 minutes or it's free,"* you'll be enjoying your fresh and delicious creations.

**Sessions are \$25 per person, with class sizes limited to 10 people.
Book early to secure your spot at [MieleExperience.com.au](https://www.MieleExperience.com.au)**
