WHAT'S BEEN HAPPENING

Dear families,

Excitement is in the air as we approach the final week of our Mini Olympic Games! The children have chosen gymnastics and soccer as the last two sports to compete in. Here's the schedule for the week:

- Opening Ceremony: Tuesday
- Gymnastics Competition: Wednesday
- Soccer Match: Thursday
- Closing Ceremony and Awards: Friday

In addition, our children have shown a keen interest in board games and knitting. To foster these interests and help develop their skills, we are introducing new sessions focused on:

- Board Games: These sessions will encourage problem-solving and strategic thinking.
- Knitting: This activity will enhance hand-eye coordination and creativity.

Our children also made a special card to show appreciation for our principals and their hard work on Principal Day. It's a wonderful way for them to express their gratitude and creativity on this meaningful day.

For this week, we look forward to seeing the children engage and grow through these new activities!

Thank you for your continued support. Let's have a fantastic week ahead!

Warm regards,

Eric

Director of Team Kids Before and After School Care
