Trinity Primary School Richmond

Term 4 October

A message from the team

Hello Trinity Families 😊

It's been such a joy to start this new chapter together! We are ready to keep celebrating the laughter, curiosity, and energy in our OSHC space have made every afternoon special.

This week, our focus was on creativity, connection, and teamwork. The children explored their imagination through art, construction, and movement — and what stood out most was how naturally they included and encouraged one another. It's wonderful to see how they're growing as friends, problem solvers, and kind communicators.

We also continued promoting wellbeing through calm moments, cooperative play, and outdoor challenges that support both body and mind. These experiences remind us that learning doesn't just happen in classrooms — it happens in every smile, every shared idea, and every act of kindness.

As we settle into Term 4, I look forward to building more meaningful connections with families and creating a space where children feel confident, curious, and proud of who they are.

Thank you for trusting us with your amazing kids — and please, come say hi anytime!

Warmly,

Maria Jose Prieto Romero (Majo)
Coordinator – Trinity Primary School OSHC
