BLACKFRIARS

PRIORY SCHOOL

YOUR NEXT STEPS

Prepare your future by following the below steps through the remaining year of senior school. Tick each box to track your success.

YEAR 10

EXPLORE YOUR TERTIARY EDUCATION OPTIONS

Talk to friends, family teachers, career advisors and tertiary education representatives about possible options including university, TAFE, apprenticeships and traineeships.

CREATE A STUDY PLAN

This is the best time to get organised. Talk to your housemaster, teacher or career advisor about creating an effective study plan.

GOALS

Write your short and long-term personal and career goals.

SUBJECT SELECTION

Select subjects for Year 11 and 12. Check out the interstate subject and grading equivalents. To find out more, visit bond.edu.au/your-future

BLACKFRIARS

PRIORY SCHOOL

YOUR NEXT STEPS

YEAR 11

EXPERIENCE POST-SECONDARY EDUCATION

Gather important dates to get involved and experience tertiary education for yourself including taking a campus tour where possible.

SCHOLARSHIPS AND FINANCIAL ASSISTANCE

Take the stress out of Year 12 and research the various options in your state that you may need to apply for to fund your studies. Visit studyassist.gov.au

CAREER AND STUDY PLAN

Discuss your career and study plans with your family and career advisor.

REVIEW YOUR GOALS

Review and rewrite your short and long-term goals.

ATTEND EXPERIENCE DAYS

Experience Days are the best way to get a taste of university life along with finding out what degree is right for you. Add a few experience days to your calendar so you can make a well-informed decision for your choice of university.

BLACKFRIARS

PRIORY SCHOOL

YOUR NEXT STEPS

YEAR 12

OPEN DAYS

This is the best way for you to experience a university campus, TAFE or training college. Gather all the open day dates of the tertiary institutions you may be interested in at the beginning of the year so that you can be prepared.

ATTEND CAREER MARKETS AND EXPO

Expos make it easier for students to come to one place and gather information from a wide variety of tertiary education institutions. Don't pass up this free and valuable opportunity!

ATTEND EXPERIENCE DAYS

Experience Days are the best way to get a taste of university life along with finding out what degree is right for you. Add a few experience days to your calendar so you can make a well-informed decision for your choice of university.

WORK EXPERIENCE

By now you might be sure of the areas you're interested in pursuing next year. If so, now is a great time to plan for some work experience during your holidays.

SCHOLARSHIPS

Start applying early for the scholarships you researched. Remember, don't rush! Give yourself plenty of time during the application process so you can do your best.

SUBMIT YOUR APPLICATION

Apply to a few universities or training colleges that you may be interested in. Remember, you will be giving yourself another option when it comes to making that all important decision.

FROM OUR CAMPUS MANAGER

Welcome back to all our VET Coordinators for 2018! I hope you had a wonderful break and had some well-deserved R & R. Also big welcome to the new coordinators on-board for 2018! We're really looking forward to helping your students achieve success during their time with us.

With term 1 almost at an end, the students are settled into their courses and already have a great deal of knowledge attained. Many will be commencing placement in the April school holidays and were really looking forward to seeing them putting their knowledge into action.

Currently we are working with various schools to deliver programs on site to their students. If this is something that would suit your school please contact me for further details.

You will notice that we have changed the format for our mid-year intakes and have also added a new intake starting in term 2 for Business as another options for our students. Any feedback about the new structure or the courses on offer please let me know.

- Natalie Evans - Campus Manager

WORK PLACEMENT UPDATE

Work placement is off to a great start for 2018. A huge congratulations to the students who have already organised their own work placement and arranged all their documentation. The number of students that have already shown this initiative is fantastic and will assist them greatly to source employment at the end of placement.

Due to the high volume of students showing great initiative, we now have close to 100 students who will be out on placement during the April holidays. We're looking forward to seeing them put their learnings and knowledge into action and hearing how their time goes.

Please encourage your students to make contact with me if they have any placement questions.

- Shana Thomas - Work Placement Coordinator

RSP EDUCATION

NEW short course!

Introduction to Rigging and Python

Rising Sun Picture's artist – Dilen Shah, will help you grasp a solid understanding of Rigging in Maya using Python Scripting to create your own tool sets. This 10 week, evening course will start out with familiarizing students with the Maya interface for Rigging and then jump right into the tool sets.

Projects will commence with planning and approach with rigging a prop/character for a VFX environment and then preparing the rig for animation in a real world scenario.

A bit about the instructor

With over 7 years of experience in the industry, Dilen Shah has worked in almost all aspects of the entertainment industry, from gaming companies to commercials, TV Series, animated feature films and now the VFX industry. Dilen started his career in Europe and worked for companies in France as a Character/Creature Technical Director and also in the Pipeline Department. Dilen is currently working as a Creature Technical Director at Rising Sun Pictures and has movies like Thor: Ragnarok, Peter Rabbit and Tomb Raider under his belt. When not working on projects, Dilen spends his time on RnD and tools that are necessary in the Creature Department. Dilen has previous teaching experience at the Dwarf Academy in Montpellier, France as a Rigging and Python instructor.

Course dates and times:

Monday, 9 July - Monday, 10 September

6:30-9:30pm, weekly in Rising Sun Pictures training rooms
