

# After School Cooking Club

Cook n Create

MOBILE COOKING SCHOOL

## What is after School Club?

*After School Club is just amazing!*

*After School Club will teach your child a skillset for life! It will teach them to enjoy cooking, to be safe and to be creative with foods!*

*It will teach them how to handle a range of foods and equipment and they will end the course with a confidence and independence you didn't think possible!*

## Who is it for?

*After School Club is for children (over 5) all the way through to high school!*

*The sessions are structured perfectly to allow all children of all abilities to access the sessions, get creative and have the BEST time!*

Skills  
Independence

## What makes it so amazing??

*Jess is a qualified and vastly experienced teacher. She has an amazing ability to recognise and nurture talent and skills without pressurising the child! She teases out their strengths and builds up their weakness'. Children leave Cook n Create sessions feeling empowered, creative and HAPPY.*

*Jess ALWAYS teaches through positive praise and focuses on encouragement and building self esteem.*

Fun  
Creativity

“  
Absolutely Amazing!

*My daughter loves the Cook n Create cooking classes! Not only is she building her cooking skills, she is having so much fun while doing it! Jess makes the classes interesting, explaining everything thoroughly and in such a fun way!*
