

Information for Students and their Families

Our Inaugural Year 7 Swimming Carnival is the start of our journey to a whole school swimming carnival in six years. The day allows students and staff alike to develop new friendships through participating in a range of events. Students are given an opportunity to compete in a full program of events and secure their place in the divisional swimming team.

A full program of novelty events catered towards those who want to be active and have fun with their friends will be provided.
