# General Information

## Welcome!

The Bendigo Regional YMCA is a not for profit community organisation that aims to create healthier, happier communities. We currently operate 4 holiday programs in Moama, Bendigo (Lightning Reef PS), Kangaroo Flat and Castlemaine.

Our Children's Services are approved by the Australian Children's Education and Care Quality Authority (ACECQA) and licensed with the Department of Education and Training (DET).

For more information, the OSHC Family Handbook is available on our website and at our Children's Services Office.

## Enrolment Information

Families enrolling for the first time must complete a **BRYMCA Online Enrolment Form**.

To enrol your child, go to **[www.bendigo.ymca.org.au](http://www.bendigo.ymca.org.au)** and follow the links. If you are unable to access the Online Enrolment form or require assistance to complete the form, contact our Children's Services Office. One of our friendly staff will be happy to assist. Upon submission of your enrolment form, booking form and all required supporting documentation; our office staff will contact you to confirm receipt of your enrolment and confirm your booking. Please note that all requested information is mandatory as it enables us to provide the best care for your child.

Once you have created your account you will be provided with a log on for the **Parent Portal in Hubworks**.

If you have an existing enrolment, jump online to check that all your details are correct. Hubworks must be updated whenever there is a change to personal details of a child, a parent/ guardian or an emergency contact. It is crucial that we have the correct information, particularly contact numbers.

An enrolment form must be completed for each service your child attends. This means that if they are already enrolled in one of our After School Care programs, you will need to complete a new enrolment form for Holiday Program.

Refer to our website for more information about enrolling and to view our OSHC Family Handbook.

## Bookings and Fees

A booking can only be made once you have submitted all enrolment details for your child. To make a booking you must complete a BRYMCA School Holiday Program Booking Form and return it, with payment, to our Children's Services Office.

Booking Forms can be found on our website or by contacting the Children's Services Office.

Holiday Program Fees are \$70 per day. On excursion days you will incur a \$30 fee, making it \$100 on that day. This is before any Centrelink benefits are applied.

All Holiday Program bookings must be paid at the time of booking. These payments can be made using EFTPOS or with cash at the Children's Service Office. We encourage families to complete the credit card payment section on the booking form. Children's Services Office Staff will contact you to confirm your booking and that payment has been processed. Our office staff will email your receipt as confirmation of your booking. If no payment is received, your child will not be booked into the program.

The Holiday Program booking period is a busy time and bookings may take up to two business days to be processed.

**Please do not assume your child is booked in to the program until you have received confirmation from our Children's Services Office.**

A late fee of \$2 per minute applies when a child is picked up after 6.00pm
