

# TARADALE OSHCLUB

Term: Week:

## Hello Taradale Families!

Its been a bit of a chilly week!

A big congratulations to all the students who did such a great job with their stalls at the makers market last week.

In OSHClub this week we've enjoyed some nachos and fruit smoothies!

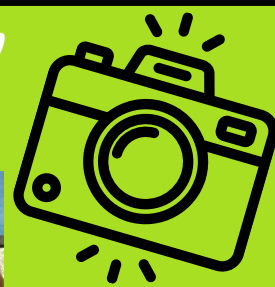

We had a lovely afternoon on Pyjama day last Wednesday where we did a word search challenge, made some yummy pancakes and tried on some relaxing face masks! (Though the children found them more cold and slimy than relaxing I think!!)

This week is Global Kids week, and in addition to exploring nature and making our own crafty critters, we're also going to be exploring other countries with some virtual travel!

Have a great week everyone.

Brooke

## Coming up...

Next week is Dental Health Week! Children attending OSHClub will receive a free dental hygiene kit.

As per a child's request, we're going to make our own Nasi Goreng next week! Delicious.
