

MRI FOR U&I

HELP
FUND
AN MRI

for our community

YOU CAN SUPPORT OUR MEDICAL SPECIALISTS TO DELIVER SERVICES CLOSE TO HOME

We are calling on our generous community to help fund a \$2.5 million MRI for Hamilton Base Hospital. WDHS is renowned for providing great care. An MRI will deliver gold standard imaging, reduce travel times and attract specialists to our area. Our community deserves the best and it's time we had an MRI. Help future-proof our hospital and support hundreds of patients every year to access the best available diagnostic tests.

HELP FUND AN MRI FOR YOU AND I
