

WHAT'S HAPPENING IN LEVELS 5 AND 6

TERM 3 2019

Welcome back to another wonderful term with lots of exciting events happening.

Term 2 offered plenty of challenging activities for all students in Levels 5 and 6. Level 6 students had a wonderful time on their camp at The Summit. They were challenged and extended beyond their comfort zone. Friendships were enhanced, confidence and self-esteem blossomed. Level 5 students visited Task Works where their problem solving skills were put to the test and their team work shone.

REMINDERS

- All notes and money need to be handed to the classroom teacher in a clearly marked envelope including your child's name and grade. If your child has been away from school for any reason, a note explaining their absence must be given to the classroom teacher or alternatively you can phone the office.
- Personal details need to be kept up to date at school. If you have changed your address, phone number, etc, please inform the school in writing of these changes. This is important as we may need to contact you at short notice.

LEVEL 6 GRADUATION

TUESDAY DECEMBER 17th.

A letter will go home early in Term 4, asking for assistance for this event. This will be followed by a meeting of parents interested helping to organise graduation. More details to follow later

TOPICS THIS TERM

Topics being explored this term include an economics focus, 'Market Mayhem.'

FLL

It's that time of year again and this year a group of 20 Level 5 and 6 students will be selected to take part in the First Lego League. This year's theme is 'City Shaper'. Our teams have to build and program a robot to achieve some very tricky missions as well as research and develop a solution to a real world problem. This year, they will need to compete at a regional final before hopefully progressing to the state final at Swinburne University. It'll be an exciting season!

Level 5 and 6 team

Lisa O'Connor, Ryan Evans, Faye Natoli, Meg Hubbard, April Warfield, Jackie Moran and Natalie Bellis.
