The Boy and the Elephant

Freya Blackwood

From an award-winning illustrator comes a tender, magical, and gorgeously rendered wordless picture book about a boy who saves the trees in the lot next door from being cut down.

Amongst the hustle and bustle of the city is an overgrown piece of land where trees and wildlife thrive. A boy, who lives in a house on the lot next to it, loves to visit. He has a friend there: an elephant, an animal that he sees within the shapes of the trees.

No matter the weather, the boy visits. And as the seasons change so does the elephant; thick green foliage changes to autumnal colors before the bare branches of harsh winter appear. But one day, builders arrive. The land has been sold, and the trees have been marked for removal. The boy can't lose his elephant, and so he comes up with a plan.

Unbearably beautiful and moving, and with a touch of magical realism, here is a wordless picture book about conservation and children's ability to be powerful agents of change.

The Welcome Cookies

Kaye Baillie, Kirrili Lonergan

Everyone enjoys the cosiness and friendliness of their favourite cafe. But what happens when the place you love suddenly changes?

Mabel loves visiting Miss Plums Sugar Plum Cafe and drawing pictures for the arty-smarty wall. But one day, Mabel finds the cafe under renovation by someone new. She misses her favourite cafe and she misses Miss Plums smiles. One day, the cafe reopens, and Mabel reluctantly visits there with her mother. Will this new place provide Mabel with the same joy she felt in the old place? And how will Mabel accept its differences?

In *The Welcome Cookies*, Mabel witnesses what she perceives to be the destruction of a place she loved. The story shows how even though we can sometimes mourn the loss of a place and miss seeing people, if we open ourselves to new things, it can mean new beginnings and a chance for new friendships to develop. The story also shows how a child has the power to make someone feel special and welcome.

With sensitive illustrations that give life to Mabel's emotional responses, this book will have young and old alike wanting to visit their local cafe to taste the welcome cookies.

Carrying a heartfelt message about the importance of family connections, it is the perfect story for parents and grandparents to share with younger family members.
