Camp was one of the best experiences of my life! I learnt so many new things, and I learnt about how they lived and what they did back then. It is my top highlight from year 5 this year! - **Asher**

One of my most treasured memories will always be the magical Sovereign Hill! From Gold panning to dressing up as children from the 1850's. Oh how I wish I could do it all over again! - **Ella**

Camp was a very exciting experience and a good adventure. Being at Sovereign Hill was so good with all of my friends - we had so much fun. It was so cool living back in the 1850's. It was cool seeing how children were back in the day and how much gold we found. Camp was so much fun I would love to go there again. - **Ethan**

I found camp a very fun experience and I definitely recommend it to other schools. The thing I liked best about it was panning for gold but when I left Sovereign Hill I realised we did a lot more activities than I thought we would do. The best part was when we had to go to school and dress up in clothes that they would have worn back then. - **Chloe**

Camp was the BEST!. I had so much fun with my friends, doing activities, dressing up and having night chats. It was one of the best experiences of my life. Personally, I recommend that you go to Sovereign Hill because it's the absolute best! - **Joseph**

It was very enjoyable because we did it all together and had lots of fun. My favourite part was the school because we got to write with an ink pen. - Zoe

Sovereign Hill was such an incredible experience and I will never forget it. The gold mines were so interesting and you can never forget about the delicious juicy SOUR GRAPES. In the 1850s character I gold panned and got water all over my dress. - **Macy**

I thought it was so cool. I liked the gold smelting. - **Ivy**

**Camp was awesome. There were so many activities and things to do. Though you might get a little tired, the sleep will make up for it! P.S Don't get the sour grapes at the lolly shop!**
