Do you want to work close to home?***

Western Hospital is a local employer located at Henley Beach. As an employer of choice, we rarely advertise position vacancies and from time to time are seeking Integrated Services (Housekeeping and Catering) staff.

We usually only recruit from the resumes that we receive in the mail.....so why not send us yours?

We are currently looking for team-orientated, flexible, self-motivated people who are available for 5-11pm shifts.

Please forward your resume to Amy Arcangeli, HR Coordinator by email to: hr@westernhospital.com.au
