Events 17th July to 30th July

Tuesday 25 July 2023

Murdoch University - FlexiTrack High Information Session

Join us for an information evening for prospective schools, teachers, parents and Year 11 students interested in learning more about FlexiTrack High, a Murdoch University in-school enabling program.

Murdoch University's FlexiTrack High program can help provide an alternative entry pathway into Murdoch University for students who aspire to go to University but may not be on track to achieve an ATAR.

Time: See link below

Location: Kim Beazley Lecture Theatre

Details and Registration:

<https://www.murdoch.edu.au/events/all-events/flexitrack-high-information-session-637094345337>

Tuesday 25 July 2023

THE UNIVERSITY OF
NOTRE DAME
A U S T R A L I A

University of Notre Dame - Open Day Fremantle

Interested in securing a place at Notre Dame? Join us on campus in Fremantle's beautiful West End for our Young Achievers Early Offer Information Session!

Find out everything you need to know about the program, including selection criteria, the application process, important dates, benefits and more.

Time: 6:00 PM - 8:00 PM

Location: Fremantle Campus

Details and Registration:

<https://events.nd.edu.au/earlyofferfreo2024>

Tuesday 25 July 2023

World Education Program - Online Info Sessions

WEP info sessions are free and provide students and parents the opportunity to meet some of our WEP staff, hear all about student exchange opportunities and ask us any questions!

Time: 3:00 PM - 4:00 PM AEST

Location: Online

Details and Registration:

https://us02web.zoom.us/webinar/register/WN_4cuFcl4CRVOVI3H12t4Afw#/registration

Events 17th July to 30th July

Tuesday 25 July 2023

Murdoch University - Regional & Remote Student Online Q & A Session

Attend our Online Regional & Remote Student Q & A Session and find out everything you need to know about making the transition to uni and studying as an undergraduate at Murdoch.

You'll have the opportunity to explore the wide range of courses we offer, and hear the real experiences and support from our staff and students.

Time: 5:30 PM - 8:00 PM

Location: Online

Details and Registration:

<https://www.murdoch.edu.au/events/all-events/murdoch-university-regional-remote-student-online-q-a-session-624946881947>

Thursday 27 July 2023

Edith Cowan University - WAAPA Arts & Cultural Management & Production Info Evening

The Western Australian Academy of Performing Arts (WAAPA) at Edith Cowan University is one of the world's leading performing arts academies. WAAPA is recognised nationally and internationally for the quality of its graduates.

Our Bachelor of Arts (Arts and Cultural Management) prepares students for exciting and challenging careers in the arts and entertainment industries. Whilst our Production and Design programs prepare students for a range of technical live production careers.

Time: 6:00 PM - 7:30 PM

Location: Building 3 Room 201, ECU Mount Lawley Campus, Mount Lawley WA 6050

CSIRO Virtual Work Experience Program

The **CSIRO's Virtual Work Experience Program** is for Year 10 and 11 students interested in gaining first-hand experience of research in science or engineering.

You'll participate in collaborative, STEM projects, including ones linked to real CSIRO research and industry challenges. You'll work in a group of 5-10 students to complete tasks for your portfolio and career plan. Experienced CSIRO staff will supervise you using a secure online platform.

As a remote work experience opportunity, it's perfect for anyone facing geographic or other barriers to participating in traditional work experience. It also gives you the chance to experience contemporary ways of working from home, and with people across geographic boundaries, just as CSIRO scientists do every day.

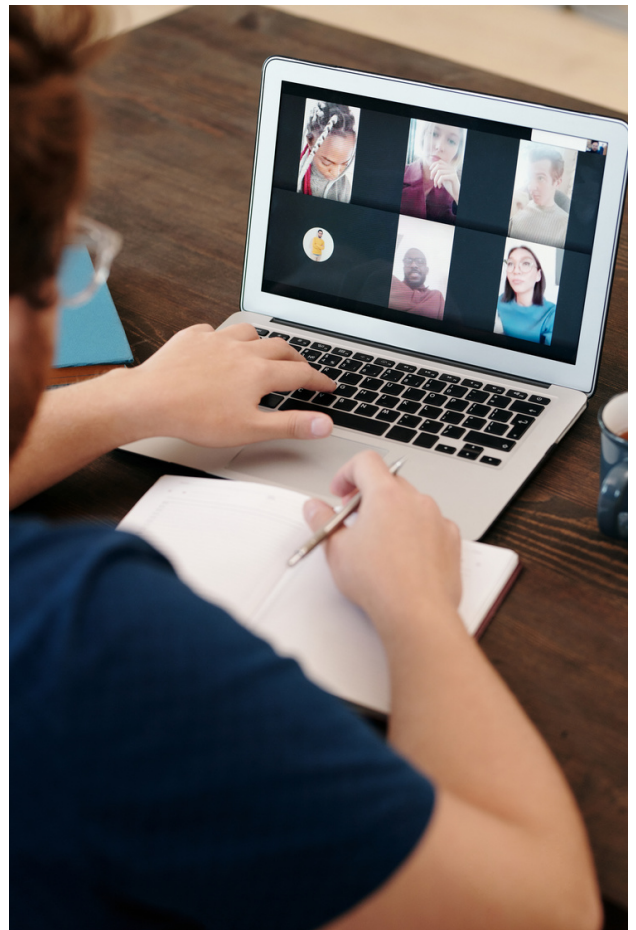

Current opportunities:

- Designing a High Performance Computer: 5 days starting 23rd October and 13th November.
- Electrical/ Electronic/ Software Engineering, Defence Industry Stream: 5 days starting 14th August and 30th October.

To be eligible you must be:

- Enrolled in a school in Australia.
- In year 10 or 11, and aged 15-17 years for the duration of the work experience.
- Able to commit to a designated week between February and December 2023.
- Supported by a teacher, parent or other approved adult in their physical location throughout their work experience project.

Express interest in these opportunities [here](#) or for more information email workexperience@csiro.au.

If you like science and writing, The UNSW Bragg Student Prize for Science Writing is for you!

It's an essay writing competition open to students in years 7 to 10 until August 25, with some awesome prizes up for grabs for you and your class.

Topic: How should we bet navigate a future where AI is part of our everyday lives?

Write 800 words to explore how we use and benefit from AI, with a particular focus on science. Your essay might explore any of the following questions:

- What is AI and how does it work?
- What are the ethical implications of AI?
- What are the dangers and benefits of AI?
- What jobs might the use of AI create or replace?
- What impacts AI may have on the creative thinking, imagination and originality of science?
- How can we address society's concerns about AI? How might AI impact education? What are its limits?
- How do we use AI technologies such as machine learning and natural language processing in science and our everyday lives?

Find full competition details and information about how to enter [here](#).

Seven Fun Science Quizzes

Looking for a few minutes of fun? Take a Careers with Stem science quiz!

1. [Which biologist you are you?](#)
2. [What's your science career?](#)
3. [Which famous scientist are you?](#)
4. [Which forensic scientist are you?](#)
5. [Which chemical reaction are you?](#)
6. [Could you be a science communicator?](#)
7. [Can you guess these unbelievable science facts?](#)

Are you in Year 11? Do you love science, technology, engineering, or mathematics? Or do you have the drive to find solutions to problems and fix things? Are you curious and constantly asking Why? How? Why not? Do you see yourself working in a science or technology-related field and would like to know more about STEM-related study and career paths?

If you answer yes to any of these questions, apply to attend the NYSF Year 12 Program! Here are three ways to make it happen!

1. Self-fund

Fantastic! [Submit your program application today!](#) The 2024 program fee is \$2,850 and there is a \$65 application fee.

2. Rotary-supported

Reach out to a local Rotary Club ([Club Search](#)) and see if they can assist you with funding or help with fundraising.

3. NYSF Access and Equity Scholarship

For eligible students. Reach out to a local Rotary Club in your area first. Then you can also apply for an NYSF Access and Equity Scholarship following confirmation of any Rotary funding. Apply by 31 July. You must also apply separately to the NYSF Year 12 Program because scholarships will only be awarded once you are selected for the NYSF Year 12 Program.

About the 2024 NYSF

In 2024, the NYSF Year 12 Program will be held at The Australian National University in Canberra (5-13 Jan) and The University of Queensland in Brisbane (12-20 Jan). You will stay at university colleges and be immersed in science and technology! Once you have been selected for the 2024 NYSF Year 12 Program, you have until 10 November 2023 to pay the program attendance fee. It is your responsibility to arrange travel to and from the program.

get involved!

All competitions and challenges are free/have low entry fees and are open to students nationwide unless otherwise stated.
