

# Year 11 & 12 Engineering Showcase

## Discover your future in Engineering at ECU

Join ECU School of Engineering for an inspiring showcase created especially for Year 11 and Year 12 students who are interested in studying engineering at ECU. Meet our academics, course coordinators, current students, alumni, and student clubs and discover what makes studying engineering at ECU exciting.

### Event highlights

- Discover a wide range of engineering courses and specialisations
- See how ECU prepares you for diverse real-world careers with strong industry connections
- Hear from ECU alumni and current students about their journey
- Experience guided lab tours
- Gain insights into student life
- Learn about our scholarships and different pathways
- Participate in a Q&A session
