

Parent Portal: Set up your parent portal account

 support.schoolbytes.education/hc/en-us/articles/5184859634191-Parent-Portal-Set-up-your-parent-portal-account

Last updated: April 28, 2023

School Bytes provides a parent portal to help your school communicate with you.

Your school may use the parent portal for various things, including online permission notes, attendance, and payments, which can be accessed via a secure link. The School Bytes parent portal enables you to view all your children in one portal and process payments for multiple siblings in one transaction.

IMPORTANT: To ensure that the registration process works smoothly and you can link your account to your child(ren), make sure that you use the same email address that you have provided to the school or if using a different email address, an SMS verification code will be sent to the mobile phone number on record for you at the school.

To set up your parent portal, follow the steps below:

Detailed steps

1. Open the parent portal link –
<https://portal.schoolbytes.education/auth/login>

School Bytes

Log in to the parent portal

Or [create a new account](#)

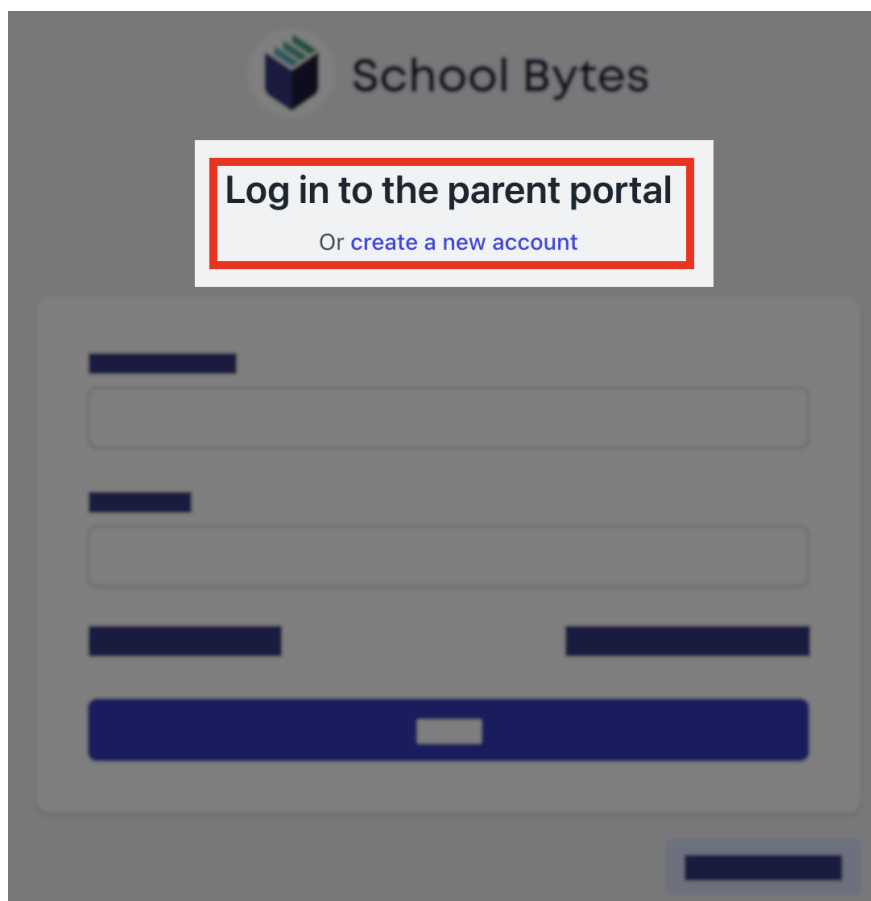

Email address

Password

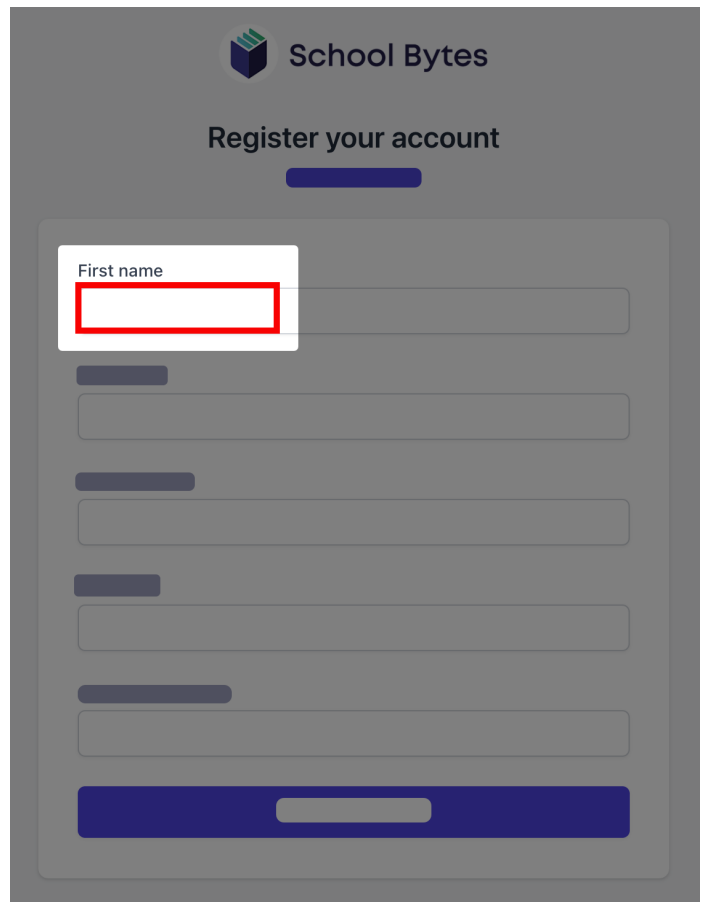

☐ Remember me [Forgot your password?](#)

[User guides](#)

2. Select the create a new account link.

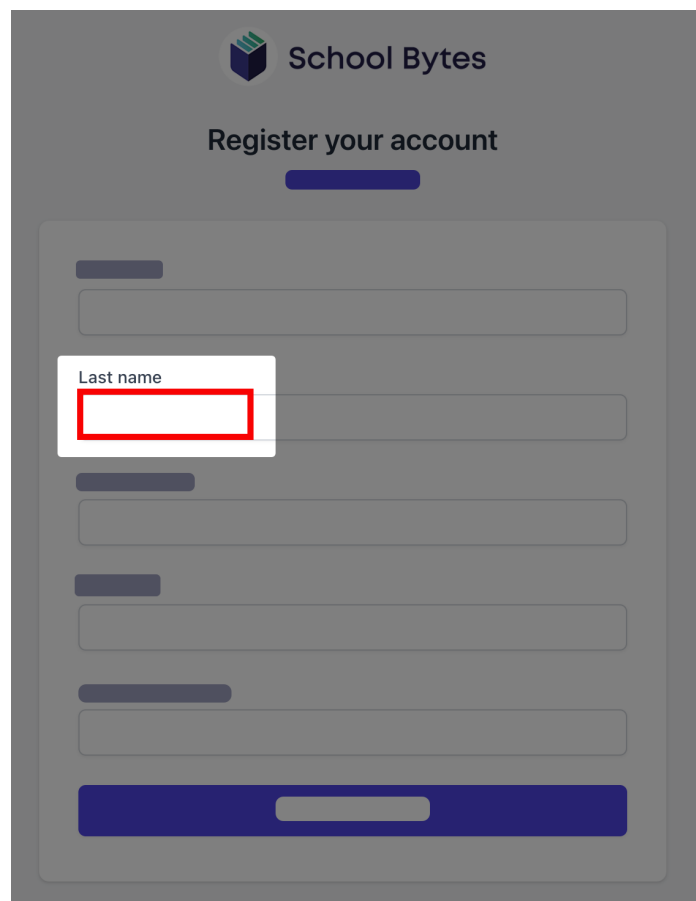

3. Enter your first name as it appears on your student's profile at the school.

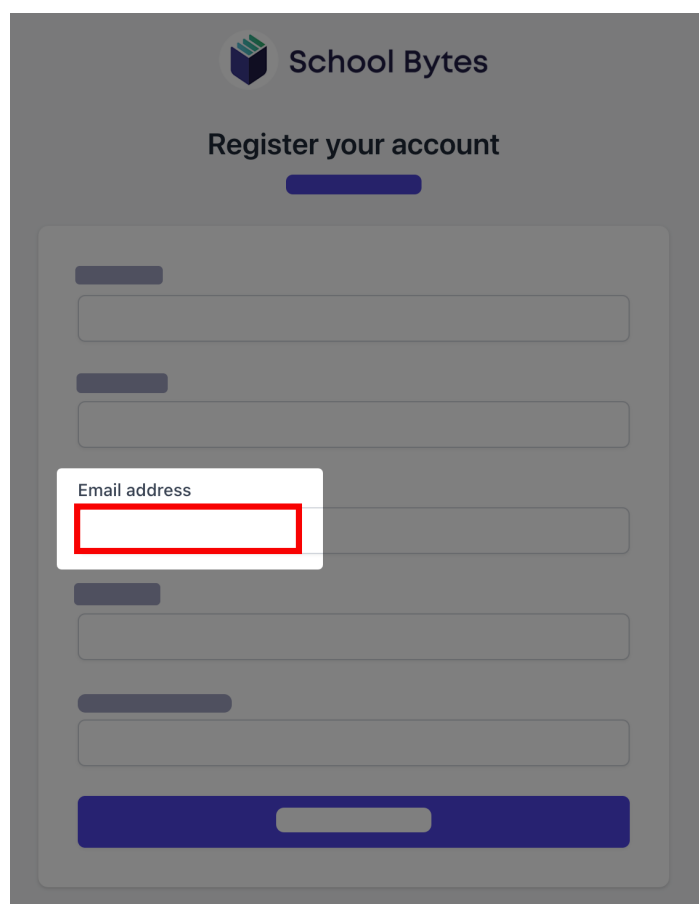

The screenshot shows the 'School Bytes' registration interface. At the top, the 'School Bytes' logo is displayed next to the text 'Register your account', which is followed by a dark blue button. Below this, a form is presented with several input fields. The first field, labeled 'First name', is highlighted with a red rectangular border. Subsequent fields are partially obscured by dark grey bars. At the bottom of the form, there is a large dark blue button with a lighter blue rectangular element in the center.

4. Enter your last name as it appears on your student's profile at the school.

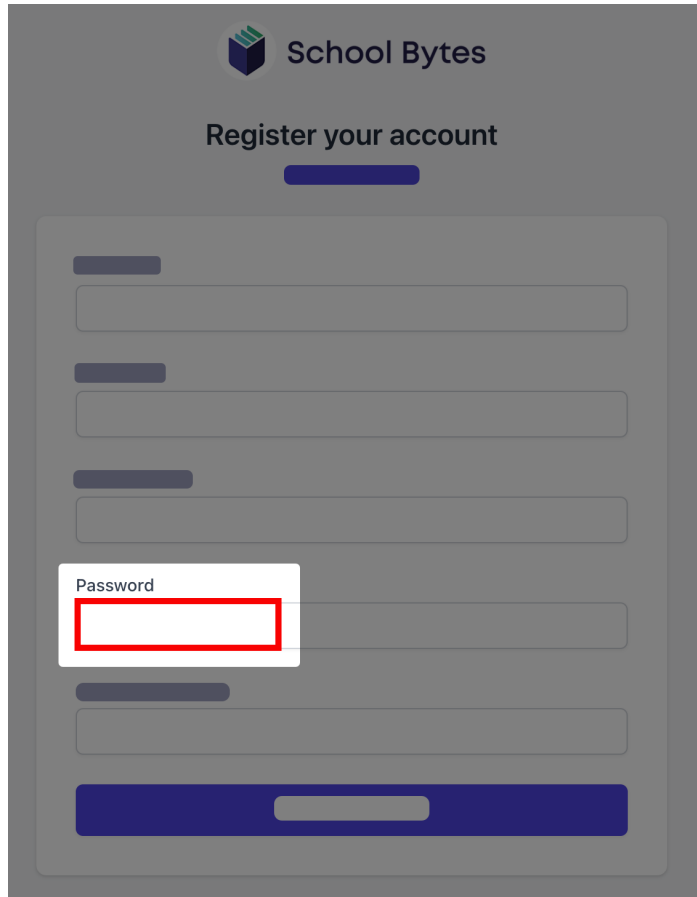

The image shows a registration form for 'School Bytes'. At the top, there is a logo consisting of three stacked cubes in blue, green, and yellow, followed by the text 'School Bytes'. Below the logo is the heading 'Register your account' and a blue button. The form itself is a light gray rounded rectangle containing several input fields. Each field is preceded by a dark gray label. The labels are: 'First name', 'Last name', 'Middle name', 'Email address', and 'Phone number'. The 'Last name' input field is highlighted with a red rectangular border. At the bottom of the form is a large blue button with a white arrow pointing to the right.

5. Enter the email address that you use for school communication.

This image shows the same 'School Bytes' registration form as above. The layout, including the logo, heading, and input fields, is identical. However, in this version, the 'Email address' input field is highlighted with a red rectangular border, indicating the step where the user should enter their email address.

6. Enter a password.

The image shows a registration form for 'School Bytes'. At the top, there is a logo consisting of three stacked cubes (green, blue, and grey) followed by the text 'School Bytes'. Below the logo is the heading 'Register your account' and a dark blue button. The form itself is a light grey rounded rectangle containing several input fields. Each input field is preceded by a dark grey label. The labels are: 'Email', 'First Name', 'Last Name', 'Password', and 'Confirm Password'. The 'Password' input field is highlighted with a red border. At the bottom of the form is a large dark blue button with a white arrow pointing to the right.

7. Confirm the password.

The image shows a registration form for 'School Bytes'. At the top, there is a logo with three green cubes and the text 'School Bytes'. Below the logo is the heading 'Register your account' followed by a blue progress bar. The form contains several input fields, each preceded by a label. The labels are partially obscured by grey bars. The fourth label is 'Confirm password', and its corresponding input field is highlighted with a red rectangle. At the bottom of the form is a large blue button with a white outline.

8. Select create account.

An email will be sent to the email address nominated so that you can verify your access to the email address.

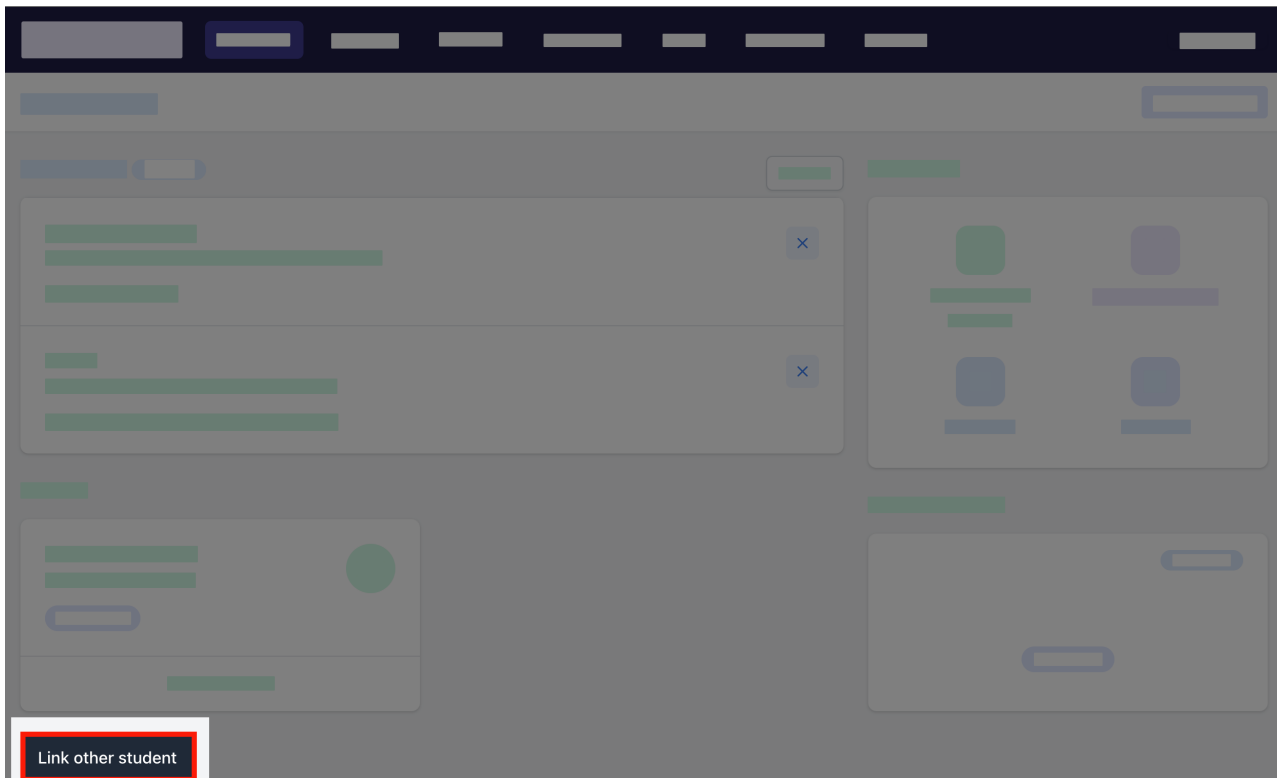

Once you have created your account, log in to the School Bytes parent portal.

You can now link your account to all students in schools that use the School Bytes platform.

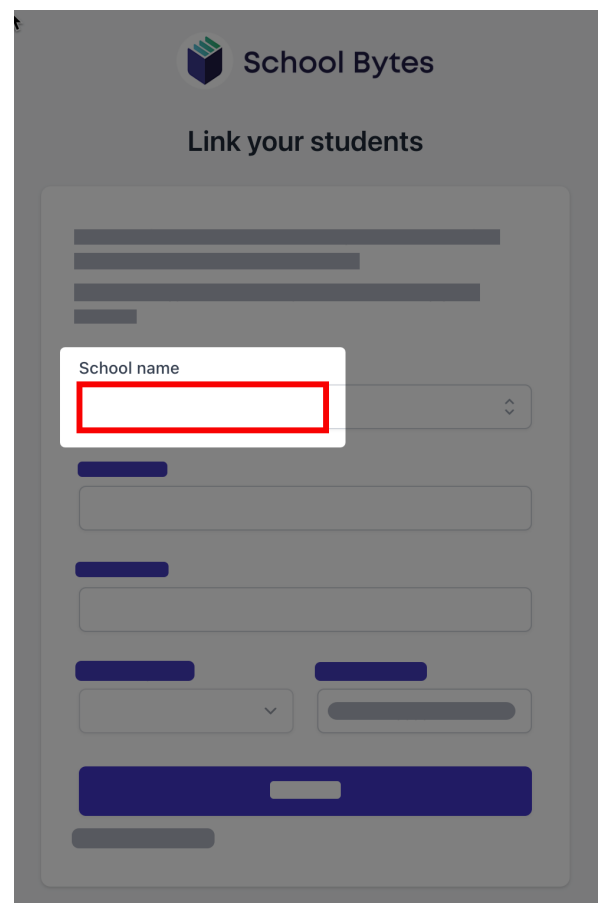

When linking a student, the system automatically matches the data you provided with details stored on the student's school profile.

The image shows the same 'School Bytes' registration form as above. At the bottom of the form, there is a large blue button with a white outline. The button has the text 'Create account' in white, which is highlighted with a red rectangle.

1. Select link other student.

2. Search for the school's name.

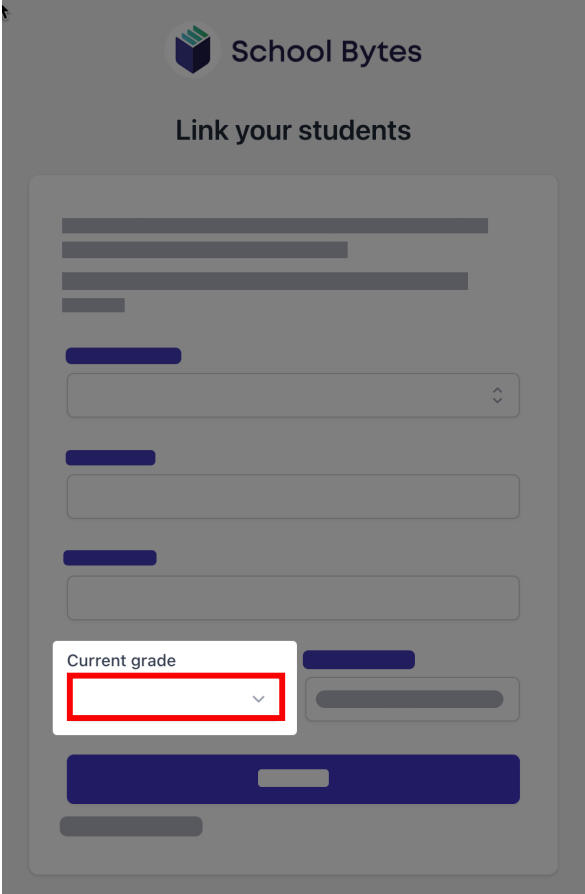

3. Enter the student's first name.

[illegible]

4. Enter the student's last name.

[illegible]

5. Select the student's current grade.

The screenshot shows the 'School Bytes' interface with the heading 'Link your students'. The form includes several input fields for student information. The 'Current grade' dropdown menu is highlighted with a red rectangle, indicating the step to select the student's current grade.

6. Enter the student's date of birth.

School Bytes

Link your students

Form fields for student information:

- First name (text input)
- Last name (text input)
- Address (text input)
- City (text input)
- State (dropdown menu)
- Postcode (text input)
- Phone number (text input)
- Email (text input)
- Date of birth (date picker, highlighted with a red rectangle)
- Gender (radio buttons)
- Enrolment status (radio buttons)

7. Select search.

If all student information matches with parent information according to the student's official enrolment stored at the school, the system will add the student to the parent account automatically.

Further assistance

If you are unable to link a student to your account or if you have any questions relating to this article, please contact your school.
