

Homework tasks should ideally be completed with adult supervision. The Homework Matrix for each level will be available in the Connect newsletter once a fortnight. Tasks will be completed in student homework books and handed in to the teacher, to be signed, two weeks later on a Friday morning (even weeks). Teachers will sign homework books.

Reading Read a book of your choice for 15 - 20 minutes every day. Talk to a grown up about the who, what, when and where that is happening in your book. If your grown up is reading to you, tell them who the characters are, what they are doing and where they are (setting). Keep track in your homework book the number of pages you have read.	Math – Problem Solving Fundraising Chocolates A class sold 3,240 chocolate bars. They sold 1,875 bars in the first month. How many chocolate bars were left to sell? Zoo Visitors A zoo had 6,403 visitors on Saturday. By lunchtime, 2,758 visitors had already entered. How many visitors had not yet entered?	Science Recount your adventure on SEPS Air. PE Striking and Fielding Challenge Find a safe space and use a ball or rolled-up pair of socks. • Complete 20 successful throws and catches. • Practise 10 underarm throws at a target. • Practise 10 overarm throws at a target. • Throw the ball against a wall and catch it 10 times. • Create a small target and score one point each time you hit it. Art Draw your emotion using colours and shapes. Think about how lines and colour show feeling
Student Agency Set a behaviour / social skill you want to practise this term. You might want to improve something or you might want to try a new skill. Empathy / Gratitude What is one thing you learnt about yourself from camp? - Braver than you think? - How to look after yourself? - Challenges? - New friends? -	Toy Store A toy store had 5,000 toys in stock. During a sale, 2,847 toys were sold. How many toys remained in stock? Farmer's Apples A farmer picked 7,125 apples. He sold 3,689 apples at the market. How many apples did he have left?
