How exciting would it be to be able to learn to fly before you can drive?

Our Program is accredited by SACE and Duke of Edinburgh Awards

602 Squadron (AAFC) Woodside was established in 1949 and services the local youth of the Adelaide Hills and Strathalbyn region.

The AAFC is the leading Australian youth development organisation for females and males, recruiting from ages 12 and 9 months to less than 16 years. Cadets come from all backgrounds, they form bonds and life long friendships with cadets at state and national levels via our National Accredited Development Program. They learn life skills, leadership, initiative, self confidence and discipline, teaching skills, loyalty and fun in a military environment.
