

Host a French, Italian, Dutch or Danish Exchange Student this Year!

World Education Program (WEP) is looking for volunteer host families for exchange students arriving in July 2016 for a term, semester or year.

Imagine knowing someone who:

- runs around in shorts and t-shirt in the middle of an Australian winter because the temperature is equivalent to summertime in the student's home country,
- takes a photo of a meal you have prepared to send overseas because it looks so different,
- is amazed that we can travel for hours and still be in the same state of one country.

How does it work?

You can choose a student who you think will fit best into your family. WEP host families are responsible for providing the exchange student with a room (can be shared with sibling of same sex and similar age), meals and a welcoming family environment. In return, you will gain a new family member and friend for life. All WEP students come with their own spending money and insurance.

Simon & Melissa – host parents of Valeria from Italy

“We found the process of choosing our own student fantastic, as we feel Valeria has been very well suited to our own family. We appreciated the visits and emails from our coordinator and the information packs have been very helpful. Thank you WEP for providing our family with an experience we’ll look back on with fond memories. We hope it has given our own children a desire to travel when they are older and it has given us all lifelong friends in Valeria’s family.”

Arriving Soon:

Alice (Italy) “I love cooking! I especially love to bake bread, cakes and biscuits! I am part of a youth group where I help organise weekly activities for 130 children! When I'm older I'd like to study medicine. I am really excited to meet my host family!”

Louis (France) “Louis (France) “I’m a very active and open minded person who lives to move and see the world! Although I am Belgian I actually live in France. I enjoy skiing, surfing, swimming but especially playing golf.”
