

Dear Stakeholder,

**Sunbury line- Buses replace trains from Tuesday 4 October – Sunday 30 October 2016**

Major construction is well underway to remove the level crossings at Main and Furlong Roads as part of the State Governments commitment to remove 50 of the most dangerous level crossings across Melbourne.

To facilitate construction, buses will replace trains between Sunbury and Sunshine stations from Tuesday 4th October until Sunday 30th October.

Please note- St Albans and Ginifer stations will be closed during this time.

\*Normal train services will resume and the new St Albans and Ginifer stations will open on Monday 31 October.

During this time, a range of different buses will be operating, including express, limited express and stopping all stations bus services to make customers journey as direct as possible. Coaches will also replace V/Line trains between Southern Cross Station and Bendigo, Echuca and Swan Hill.

Your institution has been identified as one with students, staff and associated stakeholders that may be impacted by these works. Attached is our detailed customer brochure for you to provide to your students and staff to assist with their journey planning.

We are here to help you travel during these major construction projects and will endeavour to get you to and from your destination as quickly and easily as possible. If anyone within your organisation would like to speak directly to a project representative about the upcoming rail disruption they can contact us on 1800 762 667 or email [furlongmain@levelcrossings.com.au](mailto:furlongmain@levelcrossings.com.au)

Yours sincerely,

Anita Nayak
