News from the OSHHC room...

I was helping with Yr. 1 in LA this week and we did a lesson on Trust. We blinded the children one by one to be guided around the room and afterwards asked them how they felt. The children reflected on the task with words such as confident, fun and easy which made me think that is how we should feel when we trust God to guide our life. But then a boy said it felt like forever to get to the other side. Those words struck me that is exactly how I feel as I'm in a season of trusting God for family unity to happen. I believe God when He says He is helping me but it feels so long to get to the other side when I'm blinded by how He is really going make us all come together. So again I return to the verses that tells me God is in control in our lives. And pray it brings encouragement for you too.

And He who sits on the throne said "Behold, I am making all things new" Revelations 21:5

Because of the Lord's great love, we are not consumed, for His compassions never fail. They are new every morning; great is your faithfulness. I say to myself, "The Lord is my portion; therefore I will wait for Him" Laminations 3:22-24

Joel says

I'm Joel Julien and I have just joined the wonderful team here and I'm looking forward to getting to know your children when it is safe to return to OSHHC. I graduated from St Andrews back in 2019 and had a wonderful time during 2016 when I was blessed with the opportunity to go on a Mission Trip to Vanuatu, with Mrs. Wade and a few others. I learnt a lot about their culture and I really enjoyed getting to know the young people over there.

When I was around 15 I had really good Christian mentors and youth leaders in my life which is why I believe I have the wonderful opportunity to be a positive role model and mentor to your children too.

I've been an active member of my previous church serving in a range of ministries such as Kids Church and Worship band teams.

I currently attend City life Church and have been a youth leader for the past 2 years. I currently lead a life group of 15-25 Year 8 Boys and they are such a pleasure to mentor.

I am currently in my second year of studying a Bachelor of Cyber Security at Deakin University and have also completed a Diploma of Information Technology as well as a Certificate 3 in Christian Ministry & Theology.

I also love music and sports as I've been a professional DJ and Producer since 2018 and I also used to play representative, domestic and state basketball back in 2017. I currently manage Joel Julien Events which is a Professional DJ and Party Package service providing Music, Lighting and Special Effects that is based in South East Melbourne. Alongside managing Joel Julien Events, I've also founded my own University Facebook group which is used to enable Tafe/university students to network and connect with other university & Tafe students. Whilst providing daily entertainment, helpful resources and information for university/Tafe students and to anyone in general from around the world. The group currently has 6.5k members and is slowly growing.

I hope I get the chance to meet and get to know everyone when it is safe to return back to OSHHC, in the meanwhile please take care and stay safe during these tough times, God Bless.
