Hi everybody!

For those students and families that haven't met me yet, my name is Paul. I grew up in Hamilton, two hours west of here, and now call Ballarat home. I have taught at Ballan Primary for 6 years. Before this, I have taught in a tiny school of 28 kids, been a Science and P.E teacher, lived and taught English in Japan for a year, worked at McDonalds, in an Art gallery and as a delivery driver. I love to watch and play music and sport.

Contact me:

I am want all families to feel welcome in our classroom. Please get in touch directly via Xuno or contact the office. Come and say hi as often as possible. But for important things, mornings are very busy times getting children settled for the day, so it is best to make an appointment for us to catch up.
