

Whatcha building? By Andrew Daddo

Book review by Darcy Hall

Can you imagine every afternoon a little boy asks you for some wood or bolts but he won't tell you what he is building. Well in Whatcha building? That's exactly what happens. It is a great book about a little boy and a man. The man is taking a building apart to build a new shop and the little boy grabs some part every day and the man wants the little boy tell him what he is building. Will he ever find out what he is building?
